LIBRARY OF CONGRESS

Copyright Office

[Docket No. 99-1]

Change of Mailing Address for Notices of Intent To Enforce a Restored Copyright

AGENCY: Copyright Office, Library of Congress.

ACTION: Notice.

SUMMARY: The Copyright Office is notifying the public of a change of mailing address for the submission of Notices of Intent to Enforce (NIE) a restored copyright and registration claims in restored works under the Uruguay Round Agreements Act (URAA). The number of filings submitted during the first two years of the restoration period necessitated the use of a special post office box, but the number of such filings has dramatically decreased making it unnecessary for the Office to maintain this box. All future NIEs, and GATT registrations should be mailed to the pertinent address specified in this notice.

EFFECTIVE DATE: This notice is effective February 22, 1999.

FOR FURTHER INFORMATION CONTACT: Marilyn J. Kretsinger, Assistant General Counsel, Copyright GC/I&R, P.O. Box 70400, Southwest Station, Washington, D.C. 20024. Telephone: (202) 707-8380. Telefax: (202) 707-8366.

SUPPLEMENTARY INFORMATION: The Uruguay Round General Agreement on Tariffs and Trade (GATT) and the Uruguay Round Agreements Act (URAA) (Pub. L. No. 103-465; 108 Stat. 4809 (1994)) provide for the restoration of copyright in certain works that were in the public domain in the United States. Copyright protection was restored on January 1, 1996, in certain works by foreign nationals or domiciliaries that had entered the public domain for failure to comply with certain requirements prescribed by U.S. copyright law. See, 17 U.S.C. 104A (1994).

A copyright owner of any work meeting the requirements of section 104A may register a copyright claim in the restored work during the life of the copyright. The copyright owner may file

a Notice of Intent to Enforce (NIE) the restored copyright in the Copyright Office within two years of eligibility. This NIE serves as constructive notice on any reliance party—anyone who is already using the work or acquired copies of the work before the date of enactment of the URAA. Alternatively, the owner may file actual notice on a reliance party at any time.

The URAA also requires the Register of Copyrights to publish lists in the **Federal Register** identifying a restored work and its owner[s] if an NIE has been filed by a party who is eligible to file. Thus, depending on its receipt of filings by eligible parties the Office may continue periodically to publish lists.

During the first two years, because of the large number of expected filings and the special processing they required, the Office established a particular mailing address for the filing of NIEs and registration of copyright claims in GATT restored works. It also created special GATT forms for registration of works and published a format for filing NIEs. The initial two year period for filing with the Office ended, for the overwhelming majority of countries, on December 31, 1997. Consequently, the number of filings has decreased drastically; therefore, the special address is no longer needed.

This notice is to inform all interested parties that the current mailing addresses for filing NIEs and GATT registrations, URAA/GATT, NIEs and Registrations, P.O. Box 72400, Southwest Station, Washington, D.C. 20024, USA *is no longer effective*. The new address for filing NIEs is GC/I&R, P.O. Box 70400, Southwest Station, Washington, D.C. 20024. The new address for GATT registrations is the same as for all other registrations: Library of Congress, Copyright Office, 101 Independence Avenue, S.E., Washington, D.C. 20559-6000.

Dated: January 15, 1999.

Marilyn Kretsinger,

Assistant General Counsel, Copyright Office.

Nixon Presidential historical materials. Notice is hereby given that, in accordance with section 104 of Title I of the Presidential Recordings and Materials Preservation Act ("PRMPA", 44 U.S. C. 2111 note) and 1275.42(b) of the PRMPA Regulations implementing the Act (36 CFR Part 1275), the agency has identified, inventoried, and prepared for public access integral file segments of textual materials and Abuse of Governmental Power segments of the Nixon White House tapes from among the Nixon Presidential historical materials.

DATES: The National Archives and Records Administration (NARA) intends to make the materials described in this notice available to the public beginning February 25, 1999. ADDRESSES: The tape recordings and textual materials will be made available to the public at the National Archives at College Park research room, located at 8601 Adelphi Road, College Park, Maryland beginning at 8:45 a.m. Researchers must have a NARA researcher card, which they may obtain when they arrive at the facility.

Petitions asserting a legal or constitutional right or privilege which would prevent or limit access must be sent to the Archivist of the United States, National Archives at College Park, 8601 Adelphi Road, College Park, Maryland 20740-6001.

FOR FURTHER INFORMATION CONTACT: Karl Weissenbach, Director, Nixon Presidential Materials Staff, 301-713-6950.

SUPPLEMENTARY INFORMATION: The integral file segments of textual materials to be opened on February 25, 1999, consist of 50.1 cubic feet. In addition, the National Archives is proposing to open 124 declassified segments from the Nixon White House tapes related to Abuse of Governmental Power from 110 separate conversations, totaling approximately 54 minutes of listening time.

The White House Central Files Unit is a permanent organization within the White House complex that maintains a central filing and retrieval system for the records of the President and his staff. This is the fifteenth of a series of openings of Central Files: the previous openings were on December 1, 1986; March 22, 1988; December 9, 1988; July 17, 1989; December 15, 1989; August 22,

1991; February 19, 1992; July 24, 1992; May 17, 1993; July 15, 1993; January 12, 1995; December 19, 1995; March 26, 1997, and March 18, 1998.

Two files designated for opening on February 25, 1999, are from the White House Central Files, Name Files. The Name Files were used for routine materials filed alphabetically by the name of the correspondent: copies of documents in the Name Files are usually filed by subject in the Subject Files. The Name Files relating to two individuals will be opened on February 25, 1999:

White House Central Files: Alpha Name Files
Warren E. Burger—.1 cubic foot
Henry L. Diamond—less than .1 cubic foot

In accordance with the provisions of Executive Order 12958, several series within the National Security Council files were systematically reviewed and will be made available to the public on February 25, 1999. In addition, a number of documents which were previously withheld from public access have been re-reviewed for release in accordance with 36 CFR 1275.56 (Public Access Regulations) and, in some cases, declassified under the provisions of Executive Order 12958. These documents will be publicly available on February 25, 1999:

National Security Council Files series—12 cubic feet
Other previously restricted materials—38 cubic feet

NARA is also proposing the opening of certain Nixon White House tapes. These 124 segments of previously restricted conversations to be released on February 25, 1999 were withheld from the November 12, 1996 public opening of 201 hours of Abuse of Governmental Power segments. These previously restricted segments were re-reviewed for release and declassified in accordance with the mandatory review provisions of Executive Order 12958 and 36 CFR 1275.56 (Public Access Regulations).

There are no transcripts for these tapes. Tape logs, prepared by NARA, are offered for public access as a finding aid to the tape segments and a guide for the listener. There is a separate tape log entry for each segment of conversation released. Each tape log entry includes the names of participants; date, time, and location of the conversation; and an outline of the content of the conversation.

Listening stations will be available for public use on a first come, first served basis. NARA reserves the right to limit listening time in response to heavy demand. No copies of the tape

recordings will be sold or otherwise provided at this time. No sound recording devices will be allowed in the listening area. Researchers may take notes. Copies of the tape log will be available for purchase.

Public access to some of the items in the files segments and some portions of the White House tape segments will be restricted for reasons other than national security as outlined in 36 CFR 1275.52 (Public Access Regulations).

Dated: January 20, 1999.

Archivist of the United States.
