Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a list of information collection requests under

OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (301) 443-7978.

Survey of Substance Abuse Treatment Providers as Information Customers

New—Clinicians in the field of substance abuse treatment are increasingly turning to information products and services in managing the care of their patients, accessing new knowledge about treatment, and organizing their management systems. This study will help SAMHSA's Center for Substance Abuse Treatment (CSAT) to be better able to synthesize and disseminate knowledge by providing a representative assessment of the information products and services that currently exist in the substance abuse treatment industry.

Program directors and clinicians will be surveyed in a brief telephone interview asking about their perceptions of information products and services that are currently being used, and their perceived need or interest in such new or improved products being developed and made available. The instrument that will be used to survey the providers and clinical staff will include a series of questions around a taxonomy and list of information products and services that are or might be used in the substance abuse treatment provider industry. A nationally representative target sample of 275 facilities will be drawn, and interviews will be completed with program facility directors and clinical staff. The estimated annualized burden for a one-year data collection period is summarized below.

	Number of respondents	Number of responses/respondent	Average burden/response (hr.)	Total burden hours
Facility Directors	206	1	.33	68
Clinical Staff	350	1	.25	88
Total				156

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Daniel Chenok, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: January 14, 1999.

Richard Kopanda,

Executive Officer, SAMHSA.
