Notice Pursuant to the National Cooperative Research and Production Act of 1993; Inter Company Collaboration for AIDS Drug Development

Notice is hereby given that, on November 30, 1998, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Inter Company Collaboration for AIDS Drug Development has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership and project status. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Bayer AG has been dropped as a party to this venture. Also, the members of the Collaboration have decided to extend the Collaboration for a five year period, up to and including December 31, 2003. The Collaboration will continue the activities in which it has been engaged since its initial formation, including new activities added after its founding, as described in its initial and subsequent filings. In addition, the members have decided to extend the activities of the Collaboration to include activities involving substances that may enhance the immune function in HIV-infected individuals.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and Inter Company Collaboration for AIDS Drug Development intends to file additional

written notification disclosing all changes in membership.

On May 27, 1993, Inter Company Collaboration for AIDS Drug Development filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on July 6, 1993 (58 FR 36223).
