INTERNATIONAL TRADE COMMISSION

[Investigation No. TA-201-68]

Lamb Meat; Import Investigations

AGENCY: United States International Trade Commission.

ACTION: Scheduling of time for vote on injury, and reasons for finding the investigation is "extraordinarily complicated."

EFFECTIVE DATE: January 26, 1999.

SUMMARY: The Commission has scheduled its vote in the injury phase of this investigation for February 9, 1999, at 2 p.m., in the Main Hearing Room, U.S. International Trade Commission Building, 500 E Street SW., Washington, DC. The Commission is publishing a separate Government in the Sunshine Act notice for the February 9 meeting. The Commission's reasons for finding the investigation to be extraordinarily complicated are set forth in the "background" section below.

FOR FURTHER INFORMATION CONTACT: Valerie Newkirk (202-205-3190), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing impaired individuals are advised that information on this matter can be obtained by contacting the TDD terminal on (202-205-1810).

Background: On January 15, 1999, the Commission determined that investigation No. TA-201-68, *Lamb Meat*, is "extraordinarily complicated" within the meaning of section 202(b)(2)(B) of the Trade Act of 1974 (19 U.S.C. 2252(b)(2)(B)). This determination allows the Commission to take up to 30 additional days to make its injury determination in this investigation—that is, the Commission must make its injury determination before the 150th day after the filing of the petition, as opposed to the 120th day. Under a 120-day schedule, the Commission would have been required

to make its injury determination by February 4, 1999. However, the Commission plans to take only 5 additional days, and has scheduled its vote in the injury phase for February 9. The time and place for the hearing in the remedy phase, should this phase be necessary, and the deadlines for filing prehearing and posthearing briefs and other submissions relating to remedy, remain the same as previously announced.

The Commission's decision to designate this investigation "extraordinarily complicated" is based on the complexity of the issues and the size of the record, which will include a substantial amount of factual information developed late in the investigation and after the Commission's January 12 public hearing. Because the schedule for consideration of remedy issues does not change, the 5-day extension will not impair the Commission's ability to give such issues sufficient consideration.

Notice of institution of the investigation and scheduling was published in the **Federal Register** of October 23, 1998 (63 FR 56940), and notice of the Commission's determination that the investigation is extraordinarily complicated was published in the **Federal Register** of January 25, 1999 (64 FR 3715).

Issued: January 26, 1999.

By order of the Commission.

Donna R. Koehnke,

Secretary.
