(These are not toll-free numbers.)

SUPPLEMENTARY INFORMATION: The Department of Labor (DOL or Department) is announcing Job Training

Partnership Act (JTPA) allotments for Program Year (PY) 1999 (July 1, 1999-June 30, 2000) for JTPA Titles II-A, II-C, and III, and for the Summer Youth Employment and Training Program for Calendar Year (CY) 1999 for JTPA Title II-B; and, in accordance with section 6(b)(5) of the Wagner-Peyser Act, preliminary planning estimates for public employment service (ES) activities under the W-P Act for PY 1999. The allotments and estimates are based on the appropriations for DOL for Fiscal Year (FY) 1999.

Attached is a listing of the allotments for PY 1999 for programs under JTPA Titles II-A, II-C, and III; allotments for the CY 1999 Summer Youth Employment and Training Program under Title II-B of JTPA; and preliminary planning estimates for public employment service activities under the W-P Act. The PY 1999 allotments for Titles II-A, II-C, and III and the W-P Act preliminary planning estimates, are based on the funds appropriated by the Omnibus Consolidated and Emergency Supplemental Appropriations Act of 1999, Pub. L. 105-277, for FY 1999.

These JTPA allotments will not be updated for subsequent unemployment data. The W-P preliminary estimates are based on averages for the most current 12 months ending September 1998 for each State's share of the civilian labor force and unemployment. Final W-P Act planning estimates will be published in the **Federal Register** based on Calendar Year 1998 unemployment data.

Title II-A Allotments. The Attachment shows the PY 1999 JTPA Title II-A Adult Training Program allotments by State for a total appropriation of \$955,000,000. For all States, Puerto Rico and the District of Columbia, the following data were used in computing the allotments:

- Data for areas of substantial unemployment (ASU) are monthly averages for the 12-month period, July 1997 through June 1998.
- The number of excess unemployed individuals or the ASU excess (depending on which is higher) are averages for this same 12-month period.
- The economically disadvantaged adult data (age 22 to 72, excluding college students and military) are from the 1990 Census.

The allotments for the Insular Areas, including the Freely Associated States, are based on unemployment data from 1990 Census or, if not available, the most recent data available. A 90 percent relative share "hold-harmless" of the PY

1998 Title II-A allotments for these areas and a minimum allotment of \$75,000 were also applied in determining the allotments.

Title II-A funds are to be distributed among designated service delivery areas (SDAs) according to the statutory formula contained in section 202(b) of JTPA, as amended by Title VII, Miscellaneous Provisions, of the JTPA Amendments of 1992. This is the same formula that was used in the previous program year.

JTPA Title II-B Allotments. The Attachment shows the CY 1999 JTPA Title II-B Summer Youth Employment and Training Program allotments by State based on the total available appropriation for CY 1999 of \$871,000,000. These funds are obligated as *Fiscal Year 1999* funds, not as Program Year 1999 funds.

The data used for these allotments are the same unemployment data as were used for Title II-A, except that data for the number for economically disadvantaged youth (age 16 to 21, excluding college students and military) from the 1990 Census was used. For the Insular Areas and Native Americans, the allotments are based on the percentage of Title II-B funds each received for the previous year summer program.

Title II-B funds for the 1999 Summer Program are to be distributed among designated SDAs in accordance with the statutory formula contained in section 252(b) of JTPA, as amended by Title VII, Miscellaneous Provisions, of the JTPA Amendments of 1992. The Title II-B formula is the same as for Title II-C. This is the same formula which was used in the previous program year.

JTPA Title II-C Allotments. The Attachment shows the PY 1999 JTPA Title II-C Youth Training Program allotments by State for a total appropriation of \$129,965,000. For all States, Puerto Rico, and the District of Columbia, the data used in computing the allotments are the same data as were used for Title II-B allotments.

The allotments for the Insular Areas are based on unemployment data from the 1990 census or, if not available, the most recent data available. Title II-C funds are to be distributed among designated SDAs in accordance with the statutory formula contained in section 262(b) of JTPA, as amended by Title VII, Miscellaneous Provisions, of the JTPA Amendments of 1992. The Title II-C formula is the same as for Title II-B. This is the same formula which was used in the previous program year.

JTPA Title III Allotments. The Attachment shows the PY 1999 JTPA Title III Dislocated Worker Program allotments by State, for a total of
