PART 522—IMPLANTATION OR INJECTABLE DOSAGE FORM NEW ANIMAL DRUGS

1. The authority citation for 21 CFR part 522 continues to read as follows:

Authority: 21 U.S.C. 360b.

2. Section 522.2005 is amended by revising paragraph (b) and by adding paragraph (c)(2) to read as follows:

§ 522.2005 Propofol injection.

(b) *Sponsor.* See No. 000061 in § 510.600(c) of this chapter for use as in paragraphs (c)(1) and (c)(2) of this section. See No. 000074 in § 510.600(c) of this chapter for use as in paragraph (c)(1) of this section.

(c) * * *

(2) *Cats.* (i) The drug is indicated for use as an anesthetic as follows: As a single injection to provide general anesthesia for short procedures, for induction and maintenance of general anesthesia using incremental doses to effect, and for induction of general anesthesia where maintenance is provided by inhalant anesthetics.

(ii) The drug is administered by intravenous injection as follows: For induction of general anesthesia without the use of preanesthetics the dosage is 8.0 to 13.2 milligrams per kilogram (3.6 to 6.0 milligrams per pound). For the maintenance of general anesthesia without the use of preanesthetics the dosage is 1.1 to 4.4 milligrams per kilogram (0.5 to 2.0 milligrams per pound). The use of preanesthetic medication reduces propofol dose requirements.

(iii) Adequate data concerning safe use of propofol in pregnant and breeding cats have not been obtained. Doses may need adjustment for geriatric or debilitated patients. Federal law restricts this drug to use by or on the order of a licensed veterinarian.

BILLING CODE 4160-01-F

DEPARTMENT OF STATE

22 CFR Part 41

[Public Notice 2992]

Bureau of Consular Affairs; Documentation of Nonimmigrants Under the Immigration and Nationality Act, as Amended; Photograph Requirement

AGENCY: Bureau of Consular Affairs, DOS.

ACTION: Final rule.

SUMMARY: The Department has replaced the Burroughs visa with a machine-readable visa (MRV). Since the MRV displays a digitized photo of the visa recipient, the Department is amending the nonimmigrant visa regulations to require all applicants for nonimmigrant visas to present photographs. The regulations are also amended to allow photographs of persons wearing head coverings, provided that enough of the face is uncovered so as to establish identity.

EFFECTIVE DATE: March 19, 1999.

FOR FURTHER INFORMATION CONTACT: Pam Chavez, Legislation and Regulations Division, Visa Services, Bureau of Consular Affairs, Department of State, 202-663-1206.

SUPPLEMENTARY INFORMATION: Effective April 1, 1994, the Department instructed all Foreign Service posts to cease issuing Burroughs visas, which were stamps placed in the passport. Foreign Service posts worldwide now issue only machine-readable visas (MRVs), a more technologically advanced and secure type of visa with a digitized photo of the applicant. The MRV is also inserted in the passport. The Department has, therefore, amended the regulations at 22 CFR 41.105(a)(3) to eliminate the waiver of photographs authorized in paragraphs (i), (ii) and (iii).

Final Rule

This rule is being promulgated as a final rule pursuant to the "good cause" provision of 5 U.S.C., sec. 553(b). Notice and comment serve no purpose in light of the fact that visas can no longer be issued without a photograph. This rule is not expected to have a significant impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act. It is not a major rule. This rule imposes no reporting or recordkeeping action from the public requiring the approval of the Office of Management and Budget under the Paperwork Reduction Act. This rule complies with requirements of E.O. 12988.

List of Subjects in 22 CFR Part 41

Aliens, Nonimmigrants, Passport and visas.

In view of the foregoing 22 CFR part 41 is amended as follows:

PART 41—[AMENDED]

1. The authority citation for part 41 continues to read as follows:

Authority: 8 U.S.C. 1104.

2. Revise paragraph (a)(3) of § 41.105 and remove the undesignated paragraph following it to read as follows:

§ 41.105 Supporting documents and fingerprinting.

(a) * * *

(3) *Photographs required.* Every applicant for a nonimmigrant visa must furnish a photograph in such numbers as the consular officer may require. Photographs must be a reasonable likeness, 1½ by 1½ inches in size, unmounted, and showing a full, front-face view of the applicant against a light background. At the discretion of the consular officer, head coverings may be permitted provided they do not interfere with the full, front-face view of the applicant. The applicant must sign (full name) on the reverse side of the photographs. The consular officer may use a previously submitted photograph, if he is satisfied that it bears a reasonable likeness to the applicant.

BILLING CODE 4710-06-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

24 CFR Part 941

[Docket No. FR-4443-F-05]

Public Housing Development Rule: Information Collection Approval Numbers

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Final rule.

SUMMARY: This rule revises the chart in the public housing development regulations showing the numbers assigned by the Office of Management and Budget (OMB) approving information collections contained throughout those regulations. This revision is necessary to bring the chart in conformity with the actual approval numbers, and to assure that the

information collection approvals are accurately reflected in the codified regulations for 24 CFR part 941.

EFFECTIVE DATE: April 19, 1999.

FOR FURTHER INFORMATION CONTACT: Mildred Hamman, Reports Liaison Officer, Office of Public and Indian Housing, Department of Housing and Urban Development, Room 4238, 451 Seventh Street, SW, Washington, DC 20410, telephone (202) 708-3642, ext. 4128. (This is not a toll-free number.) For persons with hearing or speech impairments, this number may be accessed by TTY through the Federal Information Relay Service, (800) 877-8339.

SUPPLEMENTARY INFORMATION:

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended), HUD published two notices on October 26, 1998, announcing the effective dates of information collection approvals contained in the public housing development regulations, 24 CFR part 941 (63 FR 57134, 57135). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless it displays a currently valid OMB control number.

The notices published in October 1998 announced the effectiveness of approval numbers for §§ 941.101, 941.205, 941.303, 941.606, and 941.610. These sections were listed in the chart contained in § 941.101(c) of OMB approval numbers for the entire part. The chart also listed approval numbers for other sections, §§ 941.301, 941.304, 941.402, and 941.404, for which no notice of effectiveness of the information collections has been published. This document serves as the notice that OMB has approved information collections contained in these provisions and to imbed the correct information concerning the actual approval numbers for the provisions throughout part 941 in § 941.101(c). In addition, this document removes the information collection approval statement from the one individual section in part 941 where it remained—§ 941.207.

There are three approval numbers assigned to the various information collections contained in part 941. The numbers and their respective expiration dates are as follows: 2577-0033 expiring on December 31, 2000; 2577-0036 expiring on July 31, 2000, and 2577-0039 expiring on April 30, 2000.

Justification for Final Rule

In general, the Department publishes a rule for public comment before issuing

a rule for effect, in accordance with its own regulations on rulemaking at 24 CFR part 10. However, part 10 does provide for exceptions from that general rule where the agency finds good cause to omit advance notice and public participation. The good cause requirement is satisfied when prior public procedure is "impracticable, unnecessary, or contrary to the public interest." (24 CFR 10.1)

In this case, the changes being made to the rule are technical in nature, conforming the rule to the OMB approval actions that have already taken place. Therefore, prior public procedure is unnecessary.

Catalog

The Catalog of Federal Domestic Assistance number for the program affected by this rule is 14.850.

List of Subjects in 24 CFR Part 941

Accordingly, part 941 of title 24 of the Code of Federal Regulations is amended as follows:

Authority: 42 U.S.C. 1437b, 1437c, 1437g, and 3535(d).

2. Paragraph (c) of § 941.101 is amended by revising the chart at the end of the paragraph to read as follows:

RIN 1512-AA07

Yountville Viticultural Area (98R-28P)

AGENCY: Bureau of Alcohol, Tobacco and Firearms (ATF), Treasury.

ACTION: Treasury decision, final rule.

SUMMARY: This Treasury decision will establish a viticultural area in Napa County, California, to be known as "Yountville." This viticultural area is the result of a petition submitted by the Yountville Appellation Committee.

DATES: This rule is effective May 18, 1999.

FOR FURTHER INFORMATION CONTACT: Thomas B. Busey, Specialist, Regulations Division, Bureau of Alcohol, Tobacco and Firearms, 650 Massachusetts Avenue, NW., Washington, D.C. 20226, (202) 927-8230.

SUPPLEMENTARY INFORMATION:

Background

On August 23, 1978, ATF published Treasury decision ATF-53 (43 FR 37672, 54624) revising regulations in 27 CFR part 4.

These regulations allow the establishment of definitive viticultural areas. The regulations allow the name of an approved viticultural area to be used as an appellation of origin on wine labels and in wine advertisements. On October 2, 1979, ATF published Treasury decision ATF-60 (44 FR 56692) which added a new part 9 to 27 CFR, providing for the listing of approved American viticultural areas, the names of which may be used as appellations of origin.

Section 4.25a(e)(1), Title 27, CFR, defines an American viticultural area as a delimited grape-growing region distinguishable by geographic features, the boundaries of which have been delineated in subpart C of part 9.

Section 4.25(e)(2), Title 27, CFR, outlines the procedure for proposing an American viticultural area. Any interested person may petition ATF to establish a grape-growing region as a viticultural area. The petition should include:

(a) Evidence that the name of the proposed viticultural area is locally and/or nationally known as referring to the area specified in the petition;
