

seek approval of the proposed modification of the traffic control system, near New Albany, Indiana, between milepost Q-316.1 and milepost Q-317.7, on the CSX Hoosier Subdivision, Louisville Service Lane, and between milepost 267.6W and milepost 268.9W on the NS St. Louis District, Kentucky Division, Western Region, consisting of the discontinuance and removal of absolute controlled signals 5R, 5LA, 5LC, 9R, and 9L.

The reason given for the proposed changes is that present day traffic does not warrant retention of the signals.

Any interested party desiring to protest the granting of an application shall set forth specifically the grounds upon which the protest is made, and contain a concise statement of the interest of the Protester in the proceeding. Additionally, one copy of the protest shall be furnished to the applicant at the address listed above.

All communications concerning this proceeding should be identified by the docket number and must be submitted to the Docket Clerk, DOT Central Docket Management Facility, Room PI-401, Washington, DC 20590-0001.

Communications received within 45 days of the date of this notice will be considered by the FRA before final action is taken. Comments received after that date will be considered as far as practicable. All written communications concerning these proceedings are available for examination during regular business hours (9 a.m.-5 p.m.) at DOT Central Docket Management Facility, Room PI-401 (Plaza Level), 400 Seventh Street, SW, Washington, DC 20590-0001. All documents in the public docket are also available for inspection and copying on the internet at the docket facility's Web site at <http://dms.dot.gov>.

FRA expects to be able to determine these matters without an oral hearing. However, if a specific request for an oral hearing is accompanied by a showing that the party is unable to adequately present his or her position by written statements, an application may be set for public hearing.

Issued in Washington, DC on March 17, 1999.
