

DEPARTMENT OF TRANSPORTATION**Federal Railroad Administration****Petition for Waiver of Compliance**

In accordance with part 211 of Title 49 Code of Federal Regulations (CFR), notice is hereby given that the Federal Railroad Administration (FRA) received a request for a waiver of compliance with certain requirements of its safety standards. The individual petition is described below, including the party seeking relief, the regulatory provisions involved, the nature of the relief being requested, and the petitioner's arguments in favour of relief.

Oil Creek & Titusville Lines

[Docket Number FRA-1998-4822]

The Oil Creek & Titusville Lines railroad (OCTL) seeks a permanent waiver of compliance with the *Safety Glazing Standards*, 49 CFR 223.11(c), which requires certified glazing in all locomotive windows, except those locomotives used in yard service. The OCTL seeks this waiver for locomotive number OCTL 6758 and OCTL 6764. The owner states the locomotives operate over 41.7 miles of track through rural countryside. The OCTL states they average one or two round trips per week and that there has never been a glazing related accident.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number (e.g., Waiver Petition Docket Number FRA-1998-4822) and must be submitted in triplicate to the Docket Clerk, DOT Central Docket Management Facility, Room PL-401, Washington, DC 20590-0001. Communications received within 45 days of the date of this notice will be considered by FRA before final action is taken. Comments received after that date will be considered as far as practicable. All written communications concerning these proceedings are available for examination during regular business hours (9 a.m.—5 p.m.) at DOT Central Docket Management Facility, Room PL-401 (Plaza Level), 400 Seventh Street SW, Washington, DC. All documents in the public docket are also

available for inspection and copying on the Internet at the docket facility's Web site at <http://dms.dot.gov>.

Issued in Washington, DC on March 17, 1999.

Grady C. Cothen, Jr.,

Deputy Associate Administrator for Safety Standards and Program Development.

BILLING CODE 4910-06-P

DEPARTMENT OF TRANSPORTATION**Federal Railroad Administration****Notice of Application for Approval of Discontinuance or Modification of a Railroad Signal System or Relief From the Requirements of Title 49 Code of Federal Regulations Part 236**

Pursuant to Title 49 Code of Federal Regulations (CFR) part 235 and 49 U.S.C. App. 26, the following railroad have petitioned the Federal Railroad Administration (FRA) seeking approval for the discontinuance or modification of the signal system or relief from the requirements of 49 CFR part 236 as detailed below.

Docket No.: FRA-1998-4762.

Applicant: CSX Transportation, Incorporated, Mr. R.M. Kadlick, Chief Engineer Train Control, 500 Water Street (S/C J-350), Jacksonville, Florida 32202.

CSX Transportation Incorporated seeks approval of the proposed reduction of the traffic control system (TCS) limits, on the single main track, near W. Peach Creek, West Virginia, Logan Subdivision, C&O Business Unit, consisting of the discontinuance and removal of absolute controlled signals 8L and 8R, removal of the TCS between milepost CLS-61.3 and milepost CLS-63.4, and govern train operations by Yard Limit Rule 93.

The reason given for the proposed changes is to increase operating efficiency.

Any interested party desiring to protest the granting of an application shall set forth specifically the grounds upon which the protest is made, and contain a concise statement of the interest of the Protester in the proceeding. Additionally, one copy of the protest shall be furnished to the applicant at the address listed above.

All communications concerning this proceeding should be identified by the docket number and must be submitted to the Docket Clerk, DOT Central Docket Management Facility, Room PI-401, Washington, DC 20590-0001. Communications received within 45 days of the date of this notice will be

considered by the FRA before final action is taken. Comments received after that date will be considered as far as practicable. All written communications concerning these proceedings are available for examination during regular business hours (9:00 a.m.—5:00 p.m.) at DOT Central Docket Management Facility, Room PI-401 (Plaza Level), 400 Seventh Street, SW., Washington, DC 20590-0001. All documents in the public docket are also available for inspection and copying on the internet at the docket facility's Web site at <http://dms.dot.gov>.

FRA expects to be able to determine these matters without an oral hearing. However, if a specific request for an oral hearing is accompanied by a showing that the party is unable to adequately present his or her position by written statements, an application may be set for public hearing.

Issued in Washington, DC on March 17, 1999.

Grady C. Cothen, Jr.,

Deputy Associate Administrator for Safety Standards and Program Development.
