## DEPARTMENT OF ENERGY

### Federal Energy Regulatory Commission

[Docket No. CP99-252-000]

#### Northern Natural Gas Company; Notice of Application

March 17, 1999.

Take notice that on March 11, 1999, Northern Natural Gas Company (Northern), 1111 South 103rd Street, Omaha, Nebraska 68124-1000, filed in Docket No. CP99-252-000, an application pursuant to Section 7(c) of the Natural Gas Act (NGA) and Part 157 of the Federal Energy Regulatory Commission's (Commission) regulations, for a certificate of public convenience and necessity authorizing Northern to construct and operate a new compressor station, all as more fully set forth in the application which is on file with the Commission and open to public inspection. This filing may be viewed on the web at <http://www.ferc.us/online/rims.htm> (call 202-208-2222 for assistance).

Northern proposes to construct and operate a new South Sioux City Compressor Station at the previously abandoned South Sioux City compressor site located in Dakota County, Nebraska. Northern states that the proposed South Sioux City compressor station will consist of two (2) electric motor driven reciprocating compressors (1,750 horsepower (Hp) each) and certain yard piping and appurtenant facilities, as required to accommodate the new station configuration. Northern also states that the proposed compressor station will provide expanded capacity which will

be used to provide 13,502 Dth/d of new incremental firm transportation service for one shipper, as well as, to meet the currently required delivery pressures on Northern's West Leg.

Any person desiring to be heard or making any protest with reference to said application should on or before April 7, 1999, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. The Commission's rules require that protestors provide copies of their protests to the party or person to whom the protests are directed. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

A person obtaining intervenor status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents issued by the Commission, filed by the applicant, or filed by all other intervenors. An intervenor can file for rehearing of any Commission order and can petition for court review of any such order. However, an intervenor must serve copies of comments or any other filing it makes with the Commission to every other intervenor in the proceeding, as well as filing an original and 14 copies with the Commission.

A person does not have to intervene, however, in order to have comments considered. A person, instead, may submit two copies of such comments to the Secretary of the Commission. Commenters will be placed on the Commission's environmental mailing list, will receive copies of environmental documents, and will be able to participate in meetings associated with the Commission's environmental review process. Commenters will not be required to serve copies of filed documents on all other parties. However, commenters will not receive copies of all documents filed by other parties or issued by the Commission, and will not have the right to seek rehearing or appeal the Commission's final order to a Federal court.

The Commission will consider all comments and concerns equally,

whether filed by commenters or those requesting intervenor status.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the NGA and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on these applications if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public conveniences and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Northern to appear or be represented at the hearing.

**Linwood A. Watson, Jr.**

### Federal Energy Regulatory Commission

[Docket No. CP99-243-000]

#### Southern Natural Gas Company; Notice of Application

March 17, 1999.

Take notice that on March 8, 1999, Southern Natural Gas Company (Southern), P.O. Box 2563, Birmingham, Alabama 35202-2563 filed an application with the Commission in Docket No. CP99-243-000 pursuant to Section 7(b) of the Natural Gas Act (NGA) for permission and approval to abandon its 50 percent interest in certain offshore Louisiana facilities to Chevron U.S.A. Production Company, *et al.*, (Chevron) all as more fully set forth in the application which is open to the public for inspection. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

Southern proposes to abandon its 50 percent interest in the Main Pass 77 Pipeline and Receiving Station, offshore Louisiana, facilities to Chevron. Southern states that the facilities consist of approximately 2.77 miles of 10-inch diameter pipe that extends from Chevron's Main Pass Block 77 platform to a subsea interconnection in Main Pass Block 151 on Southern's 18-inch diameter South Pass 60 pipeline. Southern also proposes to abandon its interest in the receiving station located on Chevron's Main Pass Block 77 platform to Chevron. Southern states that Natural Gas Pipeline Company of
