[Docket No. FR-4448-N-02]

### Notice of Funding Availability for the Welfare-to-Work Section 8 Tenant-Based Assistance Program for Fiscal Year 1999; Technical Correction

**AGENCY:** Office of Public and Indian Housing, HUD.

**ACTION:** Notice of Funding Availability (NOFA); technical correction.

**SUMMARY:** On January 28, 1999, at 64 FR 4496, HUD published a NOFA that

announced Fiscal Year (FY) 1999 funding of approximately \$248.2 million to provide tenant-based rental assistance that will help eligible families make the transition from welfare to work. This notice makes technical corrections to that NOFA to remove an inconsistent requirement and clarify the eligibility of applicants for funding.

**DATES:** The original April 28, 1999 application deadline date and time is not changed. Please see the January 28, 1998 NOFA for specific details.

**FOR FURTHER INFORMATION CONTACT:** For answers to your questions, you may contact the Public and Indian Housing Information and Resource Center at 1-800-955-2232, or contact the Director of Public Housing, the Program Center Coordinator or the Office of Native American Program Administrator in your local HUD Office. Hearing-or speech-impaired individuals may call HUD's TTY number (202) 708-0770 or 1-800-877-8339 (the Federal Information Relay Service TTY). (Other than the "800" number, these numbers are not toll-free.) Information can also be accessed via the Internet through the HUD web site at <http://www.hud.gov>.

**SUPPLEMENTARY INFORMATION:** A Notice of Funding Availability (NOFA) that announced HUD's Fiscal Year (FY) 1999 Welfare-to-Work (WTW) Section 8 Tenant-Based Assistance Program funding of approximately \$248.2 million was published on January 28, 1999 (64 FR 4496). This notice clarifies the program compliance and subcontractor designation requirements in section IV of that FY 1999 WTW NOFA. The introductory text of section IV.(E) is made consistent with paragraph IV.(E)(2)(b) by requiring a statement that outlines steps to resolve compliance instead of a proposal for management improvements. The term "unaddressed" is added to modify the conditions listed in paragraphs IV.(E)(1)(a) and redesignated IV.(E)(1)(b), as explained below, that trigger the compliance requirements.

Finally, the provision in paragraph IV.(E)(1)(b), which appears to be inconsistent with the threshold requirement at paragraph V.(B)(6), is removed. Paragraph IV.(E)(1)(b) would trigger the compliance requirements if the applicant demonstrated "[s]erious underutilization evidenced by fewer than 85 percent of budgeted rental certificates or vouchers under lease". The threshold requirement at paragraph V.(B)(6) would require an applicant to demonstrate a 90 percent leasing rate to be eligible for funding. To avoid any confusion that the designation of a

subcontractor may make eligible an applicant that does not meet the 90 percent leasing rate threshold, paragraph IV.(E)(1)(b) is removed, and paragraph IV.(E)(1)(c) is redesignated as paragraph IV.(E)(1)(b).

Accordingly, FR Doc. 99-1985, the FY 1999 Welfare-to-Work (WTW) Section 8 Tenant-Based Assistance Program NOFA, published in the **Federal Register** on January 28, 1999 (64 FR 4496) is amended on page 4498, in column 2, by revising the introductory text and paragraph IV.(E)(1)(a), removing paragraph IV.(E)(1)(b), redesignating paragraph IV.(E)(1)(c) as paragraph IV.(E)(1)(b) and revising redesignated paragraph IV.(E)(1)(b), to read as follows:

*(E) Program Compliance and Designation of Subcontractor.*

Immediately after the publication of this NOFA, the local HUD field office will notify, in writing, those HAs that are not eligible to apply without a subcontractor acceptable to HUD and a statement that outlines the steps being taken to resolve the compliance problems, as explained in this section.

(1) \* \* \*

(a) Unaddressed material weaknesses or reportable conditions outstanding from Inspector General audit findings, or HUD management review findings for one or more of your Section 8 rental voucher, rental certificate or moderate rehabilitation programs; or

(b) Significant unaddressed findings in program compliance reviews.
