#### Notice Pursuant to the National Cooperative Research and Production Act of 1993—DeepVision L.L.C.

Notice is hereby given that, on March 12, 1999, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Baker Hughes DeepVision Holdings, Incorporated has filed written notification simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to section 6(b) of the Act, the identities of the parties are Baker Hughes DeepVision Holdings, Inc., Houston, TX; Baker Hughes Oilfield Operations, Inc., Houston, TX; Transocean Offshore Inc., Houston, TX; and Transocean Offshore D.V. Inc., Houston, TX. In addition, each of the following companies, none of which has an equity or other ownership interest in DeepVision L.L.C. ("DeepVision"), has agreed to fund a portion of the costs required to determine the feasibility of, and to develop, certain technology to be used in the services proposed to be offered by DeepVision: Amoco Production Company, New Orleans, LA; Mobil Technology Company, Dallas, TX; EEX Corporation, Houston, TX; and Chevron Petroleum Company, Houston, TX (collectively, the Operator participants). In return for such funding, the Operator Participants will have preferential rights to contract with DeepVision for such services, if such technology is developed and is determined to be commercially feasible.

The nature and objectives of the venture are for the purpose of marketing and selling services (and developing technology to provide those services) for offshore oil and gas wells that have all of the following elements: (1) The services are provided to offshore wells and for offshore operations; (2) the services utilize reeled systems technology that DeepVision has developed or acquired; and (3) the services consist of services for one or more of the following activities: (a) the drilling and/or completion of new subsea wellbores; (b) the intervention and/or workover of existing subsea wellbores; or the installation, maintenance and repairs of subsea

oilfield facilities associated with subsea wellbores. As used herein, "subsea wellbores" means offshore wellbores having a subsea wellhead at or near the sea bottom. However, the scope of DeepVision's operations does not extend to services provided by Transocean Offshore Inc.'s (and its affiliates') existing fleet of conventional coiled tubing drilling vessels and systems for semi-submersibles and offshore platforms, nor to Baker Hughes Incorporated's (and its affiliates') coil tubing services of the type corresponding to their existing services that operate (a) Onshore, (b) through surface completions or (c) through conventional subsea workover, drilling or production risers.

**Constance K. Robinson,**

*Director of Operations, Antitrust Division.*

## DEPARTMENT OF JUSTICE

### Immigration and Naturalization Service

#### Agency Information Collection Activities: Proposed Collection; Comment Request

**ACTION:** Notice of information collection under review: Application for Nonresident Alien's Mexican Border Crossing Card.

The Department of Justice, Immigration and Naturalization Service (INS) has submitted the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. The information collection was previously published in the **Federal Register** on February 23, 1999 at 64 FR 8861, allowing for a 60-day public comment period. No comments were received by the INS on this proposed information collection.

The purpose of this notice is to allow an additional 30 days for public comments. Comments are encouraged and will be accepted until July 2, 1999. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the items contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention: Stuart Shapiro, Department of Justice Desk Officer, Room 10235, Washington, DC 20530; 202-395-7316.
