

evidence of changed circumstances to warrant a reexamination of this program.

2. Free Trade Zones (FTZs)

In 1997, the GOK announced its intention of establishing FTZs in the ports of Pusan and Kwangyang. Petitioners allege that special concessions, such as various tax and customs incentives, apply only to companies in GOK-designated FTZs thereby bestowing regionally specific subsidies on companies located in these zones. However, petitioners point out, neither Inchon nor Kangwon is located in the ports scheduled to be designated as FTZs by the GOK. Moreover, petitioners do not provide any evidence in support of their contention that the GOK may have expanded the FTZ program to include ports where Inchon and Kangwon have operations. Therefore, we are not initiating an investigation of this program.

Distribution of Copies of the Petitions

In accordance with section 702(b)(4)(A)(i) of the Act, copies of the public version of the petition have been provided to the representatives of Korea. We will attempt to provide copies of the public version of the petition to all the exporters named in the petition, as provided for under section 351.203(c)(2) of the Department's regulations.

ITC Notification

Pursuant to section 702(d) of the Act, we have notified the ITC of this initiation.

Preliminary Determination by the ITC

The ITC will determine by August 23, 1999, whether there is a reasonable indication that an industry in the United States is materially injured, or is threatened with material injury, by reason of imports of structural steel beams from Korea. A negative ITC determination will result in the investigation being terminated; otherwise, the investigation will proceed according to statutory and regulatory time limits.

This notice is published pursuant to section 777(i) of the Act.

Dated: July 27, 1999.
