

available from the Office of the Secretary of the Commission or by accessing the electronic version of this notice at the Commission's World Wide Web site (<http://www.usitc.gov>). A complete copy of Annexes 401 and 403.1 incorporating the modifications is also available from the Office of the Secretary or the Web site.

Written Submissions

No public hearing is being scheduled in connection with these proposed modifications. However, interested parties are invited to submit written statements (original and 14 copies) concerning any economic effects of the modifications. Commercial or financial information that a submitter desires the Commission to treat as confidential must be submitted on separate sheets of paper, each clearly marked "Confidential Business Information" at the top. All submissions requesting confidential treatment must conform with the requirements of § 201.6 of the Commission's *Rules of Practice and Procedure* (19 CFR 201.6). All written submissions, except for confidential business information, will be made available in the Office of the Secretary of the Commission for inspection by interested parties. To be assured of consideration by the Commission, written statements relating to the Commission's report should be submitted to the Commission at the earliest practical date and must be received no later than the close of business on August 31, 1999. All submissions should be addressed to the Secretary, United States International Trade Commission, 500 E Street SW, Washington, DC 20436. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000.

Issued: August 2, 1999.

By order of the Commission.

Donna R. Koehnke,
Secretary.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. AA1921-129 (Review)]

Polychloroprene Rubber From Japan

Determination

On the basis of the record¹ developed in the subject five-year review, the United States International Trade Commission determines, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)) (the Act), that revocation of the antidumping finding on polychloroprene rubber from Japan would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.²

Background

The Commission instituted this review on August 3, 1998 (63 FR 41282) and determined on November 5, 1998 that it would conduct a full review (63 FR 63748, November 16, 1998). Notice of the scheduling of the Commission's review and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on December 16, 1998 (63 FR 69306). The hearing was held in Washington, DC, on June 3, 1999, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in this investigation to the Secretary of Commerce on July 26, 1999. The views of the Commission are contained in USITC Publication 3212 (July 1999), entitled Polychloroprene Rubber from Japan (Inv. No. AA1921-129 (Review)).

Issued: July 30, 1999.

By order of the Commission.

Donna R. Koehnke,
Secretary.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Antitrust Division

[Case No. 1: 99CVO1962]

United States v. Allied Waste Industries, Inc. and Browning Ferris Industries, Inc., Civ. No. 99 CV 01962; Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h), that a proposed Final Judgment, Hold Separate Stipulation and Order, and Competitive Impact Statement have been filed with the United States District Court for the District of Columbia, Washington, DC, in United States v. Allied Waste Industries, Inc. and Browning-Ferris Industries, Inc., Civ. No. 99 CV 01962.

On July 20, 1999, the United States filed a Complaint, which alleged that Allied's proposed acquisition of Browning-Ferris Industries, Inc. ("BFI") would violate section 7 of the Clayton Act, 15 U.S.C. 18, by substantially lessening competition in waste collection and/or disposal in 18 markets around the country, including Akron/Canton, OH; Atlanta, GA; Boston, MA; Charlotte, NC; Chicago, IL; Dallas, TX; Davenport, IA; Denver, CO; Detroit, MI; Evansville, IN; Joplin/Lamar, MO; Kalamazoo/Battle Creek, MI; Moline, IL; Oakland, CA; Oklahoma City, OK; Rock Falls/Dixon, IL; Rockford, IL; and Springfield, MO. The proposed Final Judgment, filed on July 20, 1999, requires Allied and BFI to divest commercial waste collection and/or municipal solid waste disposal operations in each of the geographic areas alleged in the Complaint.

Public comment is invited within the statutory 60-day comment period. Such comments and responses thereto will be published in the **Federal Register** and filed with the Court. Comments should be directed to J. Robert Kramer II, Chief, Litigation II Section, Antitrust Division, U.S. Department of Justice, 1401 H Street, NW, Suite 3000, Washington, DC 20530 [telephone: (202) 307-0924].

Constance K. Robinson,

Director of Operations & Merger Enforcement.

JUDGE: Ricardo M. Urbina; DECK TYPE:

Antitrust; DATE STAMP: 7/20/1999

Hold Separate Stipulation and Order

It is hereby stipulated and agreed by and between the undersigned parties, subject to approval and entry by the Court, that:

¹The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

²Commissioners Crawford and Askey dissenting.
