#### Notice of Inventory Completion for Native American Human Remains in the Possession of the University of Pennsylvania Museum, University of Pennsylvania, Philadelphia, PA

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 43 CFR 10.9, of the completion of an inventory of human remains in the possession of University of Pennsylvania Museum, University of Pennsylvania, Philadelphia, PA.

A detailed assessment of the human remains was made by University of Pennsylvania Museum professional staff in consultation with representatives of the Klamath Indian Tribe of Oregon and the Modoc Tribe of Oklahoma.

At an unknown date, human remains representing one individual were removed from Ft. Klamath, OR by person(s) unknown. Prior to 1915, these human remains were received by the University of Pennsylvania Museum. In 1915, the control of these remains was transferred from the University of Pennsylvania Museum to the Wistar Institute. In 1961, control of the remains was transferred back to the University of Pennsylvania Museum. No known individual was identified. No associated funerary objects are present.

Based on accession information from the Wistar Institute, this individual has been identified as Native American of Modoc affiliation. No further information exists for this individual.

Based on the above mentioned information, officials of the University

of Pennsylvania Museum have determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of one individual of Native American ancestry. Lastly, officials of the University of Pennsylvania Museum have determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and the Klamath Indian Tribe of Oregon and the Modoc Tribe of Oklahoma.

This notice has been sent to officials of the Klamath Indian Tribe of Oregon and the Modoc Tribe of Oklahoma. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains should contact Dr. Jeremy Sabloff, the Williams Director, University of Pennsylvania Museum of Archaeology and Anthropology, 33rd and Spruce Streets, Philadelphia, PA 19104-6324; telephone: (215) 898-4051, fax: (215) 898-0657, before September 10, 1999. Repatriation of the human remains to the Klamath Indian Tribe of Oregon may begin after that date if no additional claimants come forward.

The National Park Service is not responsible for the determinations within this notice.

Dated: August 3, 1999.
