

DEPARTMENT OF JUSTICE**Notice of Lodging of the Consent Decree Under the Clean Water Act as Amended by the Oil Pollution Act**

Under 28 CFR 50.7 notice is hereby given that on September 28, 1999, a proposed Consent Decree in *United States and State of Louisiana v. Equilon Pipeline Company LLC*, Civil Action No. 99-2961, was lodged with the United States District Court for the Eastern District of Louisiana.

In this action the United States on behalf of the National Oceanic Atmospheric Administration, the Department of Interior's Fish and Wildlife Service, and the Coast Guard; and the State of Louisiana on behalf of the Louisiana Oil Spill Coordinator, Department of Environmental Quality, Department of Wildlife and Fisheries, and Department of Natural Resources, sought recovery of natural resource damages, removal costs, and other expenses arising out of the May 16, 1997, discharge of oil from a pipeline located in Lake Barre, Terrebonne Parish, Louisiana. The proposed Consent Decree provides that Equilon Pipeline Company LLC, successor corporation to Texaco Pipeline Inc. by way of merger, will perform a restoration project consisting of planting marsh grasses on East Timbalier Island and will pay state response costs and past state and federal assessment costs amounting to approximately \$480,000. Equilon also will pay future assessment and restoration costs to the state and federal agencies.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General of the Environment and Natural Resources Division, Department of Justice, Washington, DC 20530, and should refer to *United States and the State of Louisiana v. Equilon Pipeline Company LLC*, D.J. Ref. 90-5-1-1-06628.

The Consent Decree may be examined at the Office of the United States Attorney, 501 Magazine Street, Suite 210, New Orleans, Louisiana and at the Louisiana Oil Spill Coordinator's Office, 625 North 4th Street, Suite 800, Baton Rouge, Louisiana. A copy of the Consent Decree may also be obtained by mail from the Department of Justice Consent Decree Library, P.O. Box 7611, Washington, DC 20044-7611. In requesting a copy, please enclose a check in the amount of \$42.50 (25 cents per page reproduction cost) payable to the Consent Decree Library. In

requesting a copy exclusive of exhibits, i.e., without the: (1) Final Damage Assessment and Restoration Plan, (2) Grant of Particular Use for Construction, and (3) Monitoring Plan, please enclose check in the amount of \$17.75 (25 cents per page reproduction cost) payable to the Consent Decree Library.

BILLING CODE 4410-15-M

DEPARTMENT OF JUSTICE**Notice of Lodging of Second Amendment to Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act**

Notice is hereby given that a proposed Second Amendment to the Consent Decree in *United States of America and the State of New Hampshire v. City of Somersworth, et al.*, Civil No. C-96-46-SD (D.N.H.), was lodge with the United States District Court for the District of New Hampshire on September 29, 1999. The proposed Second Amendment concerns alleged liability of the United States and State of New Hampshire, based on actions by the New Hampshire National Guard, pursuant to sections 107 and 113 of the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9607, 9613, regarding response actions by the City of Somersworth and the General Electric Company at the Somersworth Sanitary Landfill Superfund Site ("Site") in Somersworth, New Hampshire.

The proposed Second Amendment to the Consent Decree would resolve any potential liability which the New Hampshire National Guard may have at the Site which may be attributable to the United States by requiring the United States to pay \$2,340.30 to the EPA Hazardous Substances Superfund and \$13,261.70 to the City of Somersworth

and the General Electric Company in reimbursement for past and future response costs at the Site. The State of New Hampshire will make identical payments to resolve any potential liability which the New Hampshire National Guard may have at the Site which may be attributable to the State.

The U.S. Department of Justice will receive written comments relating to the proposed Second Amendment to the Consent Decree for a period of thirty (30) days from the date of publication of this notice. Comments should be addressed to Harry M. Hughes, Trial Attorney, U.S. Department of Justice, Environmental Defense Section, P.O. Box 23986, Washington, D.C. 20026-3986 and should refer to *United States of America and the State of New Hampshire v. City of Somersworth, et al.*, Civil No. C-96-46-SD (D.N.H.), DJ# 90-11-6-05509.

The proposed Second Amendment to the Consent Decree may be examined at the Clerk's Office, United States District Court for the District of New Hampshire, 55 Pleasant Street, room 110 Concord, New Hampshire 03301-3941 and at the Region I office of the Environmental Protection Agency, 1 Congress Street, suite 1100, Boston, Massachusetts 02114. A copy of the proposed consent decree may also be obtained by mail from the Department of Justice Consent Decree Library, P.O. Box 7611, Washington, D.C. 20044. In requesting a copy, please enclose a check (there is a 25 cent per page reproduction cost) in the amount of \$6.25 payable to the "Consent Decree Library."

Notice Pursuant to the National Cooperative Research and Production Act of 1993—General Motors and Toyota Joint Research and Development Project

Notice is hereby given that, on May 3, 1999, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), General Motors and Toyota Joint Research and Development Project has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing: (1) The

identities of the parties and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to Section 6(b) of the Act, the identities of the parties are General Motors Corporation, Detroit, MI; and Toyota Motor Corporation, Toyota, JAPAN. The nature and objectives of the venture are to cooperate on research and development related to certain advanced vehicle technology to permit them to respond effectively and promptly to customer and regulatory requirements. The goals of the joint venture are to: Develop advanced vehicle technology superior to those which either company could do alone, including electric, hybrid electric and fuel cell vehicles or their components and systems; reduce development time for such new technology vehicles and components; increase industry responsiveness to customer needs and regulatory requirements for more efficient, cleaner vehicles; accelerate necessary changes in infrastructure to support advanced technology vehicles; provide regulators, globally, with timely, consistent information and advice about advanced vehicle technology; and promote early standardization where needed to provide global customers with the desired interchangeability for advanced vehicles and components.
