

Type of Request: Extension of Currently Approved Information Collection.

Abstract: The information collected under OMB Control Number 0560-0151, as identified above, ensures that Canadian wheat does not benefit from USDA or Commodity Credit Corporation assisted export programs. Respondents: Wheat importers, traders, and end-users.

Estimated Number of Respondents: 421.

Estimated Number of Responses per Respondent: 64.

Estimated Total Annual Burden on Respondents: 5,419 hours.

Proposed topics for comment include: (a) Whether the continued collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the FSA's estimate of burden including the validity of the methodology and assumptions used; (c) enhancing the quality, utility, and clarity of the information collected; or (d) minimizing the burden of the collection of the information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. Comments should be sent to the Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503 and to Sharon Miner at the address listed above. All comments will become a matter of public records. OMB is required to make a decision concerning the collection of information contained in this notice between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment to OMB is best assured of having its full effect if OMB receives it within 30 days of publication.
