

protect trade secrets. The Forest Service will inform the requester of the agency's decision regarding the request for confidentiality. If the request is denied, the agency will return the submission and notify the requester that the comments may be resubmitted with or without name and address within seven days.

#### Permits/Authorizations

The proposed action includes prescribed burning in the Boundary Waters Canoe Area Wilderness. An amendment to the Superior National Forest Land and Resource Management Plan would be needed for such burns. James W. Sanders, Forest Supervisor, Superior National Forest, would be the responsible official for the plan amendment.

#### Responsible Official

Jo Barnier, Gunflint District Ranger, Superior National Forest, is the responsible official. In making the decision, the responsible official will consider the comments, responses, disclosure of environmental consequences, and applicable laws, regulations, and policies. The responsible official will state the rationale for the chosen alternative in the Record of Decision.

Dated: October 27, 1999.

### International Trade Administration

#### August 1999 Sunset Reviews: Termination of Review, Final Results of Reviews and Revocation and Termination

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of termination of five-year ("Sunset") review of the antidumping duty order on kiwifruit from New Zealand (A-614-801); Final Results of Sunset Reviews: Revocation of Antidumping Duty Order on Tungsten Ore Concentrates from the People's Republic of China (A-570-811) and termination of the suspended antidumping duty investigation on uranium from Kryrgyzstan (A-835-802).

**SUMMARY:** On August 2, 1999, the Department of Commerce ("the Department") initiated sunset reviews of the antidumping duty orders on kiwifruit from New Zealand and tungsten ore concentrates from the People's Republic of China ("PRC"), and of the suspended antidumping duty investigation of uranium from Kryrgyzstan. The Department is terminating the sunset review of the order on kiwifruit from New Zealand on the basis that, on September 17, 1999, the Department issued the final results of a changed circumstances review and revoked this order. Further, because no domestic party responded to the sunset review notice of initiation by the applicable deadline, the Department is revoking the order on tungsten ore concentrates from the PRC and terminating the suspended investigation on uranium from Kryrgyzstan.

**EFFECTIVE DATE:** January 1, 2000.

**FOR FURTHER INFORMATION CONTACT:** Martha V. Douthit or Melissa G. Skinner, Office of Policy, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, D.C. 20230; telephone: (202) 482-5050 or (202) 482-1560, respectively.

#### SUPPLEMENTARY INFORMATION:

#### Background

The Department issued antidumping duty orders on kiwifruit from New

Zealand (57 FR 23203 (June 2, 1992)) and tungsten ore concentrates from the People's Republic of China (56 FR 58681 (November 21, 1991)). Further, the Department suspended the antidumping duty investigation on uranium from Kryrgyzstan (57 FR 49220 (October 30, 1992)). Pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"), the Department initiated sunset reviews of these orders and suspended investigation by publishing notice of the initiation in the **Federal Register** (64 FR 41915 (August 2, 1999)). In addition, as a courtesy to interested parties, the Department sent letters, via certified and registered mail, to each party listed on the Department's most current service list for these proceedings to inform them of the automatic initiation of the sunset reviews on these orders and suspended investigation.

No domestic interested party in the sunset reviews on these orders responded to the notice of initiation by the August 17, 1999 deadline (see section 351.218(d)(1)(i) of *Procedures for Conducting Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*, 63 FR 13520 (March 20, 1998) ("*Sunset Regulations*").

In the sunset review of the suspended antidumping investigation on uranium from Kyrgyzstan, we received notices of intent to participate from domestic interested parties: USEC Inc. and its subsidiary, United States Enrichment Corporation (collectively "USEC"), the Paper, Allied-Industrial, Chemical & Energy Workers International Union, AFL-CIO ("PACE"), and the Ad Hoc Committee of Domestic Uranium Producers (the "Ad Hoc Committee"). However, the Ad Hoc Committee, PACE, and USEC withdrew their notices of intent to participate on August 17, August 18, and August 23, 1999, respectively. Further, the Department did not receive a complete substantive response from any domestic interested party (in this case no response) by the September 1, 1999, deadline. (See § 351.218(d)(1)(i)). Therefore, the Department has determined that no domestic interested party intends to participate in the sunset review of this suspended investigation.

#### Determination

Pursuant to section 751(c)(3)(A) of the Act and § 351.218(d)(1)(iii)(B)(3) of the *Sunset Regulations*, if no domestic interested party responds to the notice of initiation, the Department shall issue a final determination, within 90 days after the initiation of the review, revoking the order or terminating the

suspended investigation. Because no domestic interested party in the sunset review of tungsten ore concentrates from the PRC responded to the notice of initiation by the applicable deadline, August 17, 1999, we are revoking this antidumping duty order. Additionally, because USEC, PACE and Ad Hoc Committee of Domestic Uranium withdrew their notices of intent to participate and no other domestic interested party filed a substantive response (see §§ 351.218(d)(1)(i) and 351.218(d)(3) of the *Sunset Regulations*), we are terminating the suspended antidumping duty investigation on uranium from Kyrgyzstan.

Further, the Department revoked the antidumping duty order on kiwifruit from New Zealand on September 17, 1999, effective June 1, 1997. Pursuant to the Department's *Final Results of Changed Circumstances Review; Revocation of the Order on Kiwifruit from New Zealand*, the Department has instructed the United States Customs Service to terminate the liquidation of merchandise subject to the antidumping duty order on kiwifruit from New Zealand effective June 1, 1997 (see *Fresh Kiwifruit From New Zealand: Final Results of Changed Circumstances Review; Revocation of Order*, 64 FR 50486). Because the antidumping duty order on kiwifruit from New Zealand was revoked as a result of a changed circumstances review, we are terminating the sunset review of this order.

#### Effective Date of Revocation and Termination

Pursuant to section 751(c)(6)(A)(iv) of the Act, the Department will instruct the United States Customs Service to terminate the suspension of liquidation of the merchandise subject to the antidumping duty order on tungsten ore concentrates from the PRC entered, or withdrawn from warehouse, on or after January 1, 2000. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and antidumping duty deposit requirements. The suspension agreement on uranium from Kyrgyzstan will remain in effect until January 1, 2000. The Department will complete any pending administrative reviews of the order and this suspension agreement and will conduct administrative reviews of all entries prior to the effective date of revocation or termination in response to appropriately filed requests for review.

Dated: October 28, 1999.

**Richard W. Moreland,**

*Acting Assistant Secretary for Import Administration.*

#### Certain Cold-Rolled and Corrosion-Resistant Carbon Steel Flat Products From Korea: Extension of Time Limit for Final Results of the Antidumping Duty Administrative Reviews

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of extension of time limit for final results of antidumping duty administrative reviews.

**SUMMARY:** The Department of Commerce ("the Department") is extending the time limit for the final results for the fifth reviews of certain cold-rolled and corrosion-resistant carbon steel flat products from Korea. These reviews cover the period August 1, 1997 through July 31, 1998. The extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended.

**EFFECTIVE DATE:** November 3, 1999.

**FOR FURTHER INFORMATION CONTACT:** Becky Hagen at (202) 482-3362 or Robert Bolling at (202) 482-3434; Office of AD/CVD Enforcement, Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230.

#### The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930 ("the Act") are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Rounds Agreements Act.

#### Postponement of Final Results

On September 8, 1999, the Department published the preliminary results for this review. See 64 FR 48767. Section 751(a)(3)(A) of the Act requires the Department to complete an administrative review within 120 days of publication of the preliminary results. However, if it is not practicable to complete the review within the 120-day time limit, section 751(a)(3)(A) of the Act allows the Department to extend the time limit to 180 days from the date of
