## SECURITIES AND EXCHANGE COMMISSION

### Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 498, File No. 270-435, OMB Control No. 3235-0488;

Rule 30a-1, File No. 270-210, OMB Control No. 3235-0219.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget requests for extension on the previously approved collections of information discussed below.

#### Rule 498 Under the Securities Act of 1933, Profiles for Certain Open-End Management Investment Companies

Rule 498 (17 CFR 230.498) permits open-end management investment companies (or a series of an investment company organized as a series company, which offers one or more series of shares representing interests in separate investment portfolios) ("funds") to provide investors with a "profile" that contains a summary of key information about a fund, including the fund's investment objectives, strategies, risks and performance, and fees in a standardized format. The profile provides investors the option of buying fund shares based on the information in the profile or reviewing the fund's prospectus before making an investment decision. Investors purchasing shares based on a profile receive the fund's prospectus prior to or with confirmation of their investment in the fund.

Consistent with the filing requirement of a fund's prospectus, a profile must be filed with the Commission thirty days before first use. Such a filing allows the Commission to review the profile for compliance with Rule 498. Compliance with the rule's standardized format assists investors in evaluating and comparing funds.

It is estimated that approximately 176 initial profiles and 129 updated profiles are filed with the Commission annually. The Commission estimates that each profile contains on average 1.25 portfolios, resulting in 220 portfolios filed annually on initial profiles and 161 portfolios filed annually on updated profiles. The number of burden hours for preparing and filing an initial profile per portfolio is 25. The number of burden hours for preparing and filing an updated profile per portfolio is 10. The total burden hours for preparing and filing initial and updated profiles under Rule 498 is 7,110, representing a decrease of 6,640 hours from the prior estimate of 13,750. The reduction in burden hours is attributable to the lower number of profiles actually prepared and filed as compared to the previous estimates.

The collection of information under Rule 498 is voluntary. The information provided by Rule 498 is not kept confidential.

#### Rule 30a-1 Under the Investment Company Act of 1940, Annual Reports

Rule 30a-1 [17 CFR 270.30a-1] requires that investment companies registered under the Investment Company Act file annual and periodic reports with the Commission and send to the Commission copies of their reports to shareholders. These requirements are designed to ensure that the Commission has enough information in its files to effectively monitor the operations of each company and to provide investors with the kind of current information that is necessary to detect problems in the operations of the company.<sup>1</sup>

There is no burden associated with complying with Rule 30a-1. The respondent's reporting burden and cost burden under Rule 30a-1 is associated with Form N-SAR. Those burdens and costs are discussed in the submission for Form N-SAR.

The collection of information under Rule 30a-1 is mandatory. The information provided by Rule 30a-1 is not kept confidential.

The estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the cost of Commission rules and forms.

The Commission may not conduct or sponsor, and a person is not required to respond to, a collection of information

<sup>1</sup> Annual and periodic reports to the Commission become part of its public files and, therefore, are available for use by prospective investors and shareholders.
