**Kellogg Company, South Operations

Affirmative Determination Regarding
Application for Reconsideration**

By letter of March 8, 2000, Local #3 of the Bakery, Confectionery, Tobacco Workers and Grain Millers International Union requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance and North American Free Trade Agreement-Transitional Adjustment Assistance for workers of the subject firm. The notices were signed on February 10, 2000, and will

soon be published in the **Federal Register**.

The Department has reviewed the Union's request and has determined that further investigation regarding the Union's assertions regarding the effects of a transfer of production equipment to Mexico is warranted.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC this 21st day of March 2000.

In accordance with Section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of March, 2000.

In order for an affirmative determination to be made and a certification of eligibility to apply for worker adjustment assistance to be issued, each of the group eligibility requirements of Section 222 of the Act must be met.
