

including USPS employees, contract employees, and contractor-operated facilities engaged in USPS mail operations.

(2) In addition, any hazard, industry, geographical area, operation or facility over which the State is unable to effectively exercise jurisdiction for reasons which OSHA determines are not related to the required performance or structure of the plan shall be deemed to be an issue not covered by the State plan which has received final approval, and shall be subject to Federal enforcement. Where enforcement jurisdiction is shared between Federal and State authorities for a particular area, project, or facility, in the interest of administrative practicability Federal jurisdiction may be assumed over the entire project or facility. In any of the aforementioned circumstances, Federal enforcement authority may be exercised after consultation with the State designated agency.

(c) Federal authority under provisions of the Act not listed in section 18(e) is unaffected by final approval of the Nevada State plan. Thus, for example, the Assistant Secretary retains his authority under section 11(c) of the Act with regard to complaints alleging discrimination against employees because of the exercise of any right afforded to the employee by the Act, although such complaints may be referred to the State for investigation. The Assistant Secretary also retains his authority under section 6 of the Act to promulgate, modify or revoke occupational safety and health standards which address the working conditions of all employees, including those in States which have received an affirmative 18(e) determination, although such standards may not be Federally applied. In the event that the State's 18(e) status is subsequently withdrawn and Federal authority reinstated, all Federal standards, including any standards promulgated or modified during the 18(e) period, would be Federally enforceable in that State.

(d) As required by section 18(f) of the Act, OSHA will continue to monitor the operations of the Nevada State program to assure that the provisions of the State plan are substantially complied with and that the program remains at least as effective as the Federal program. Failure by the State to comply with its obligations may result in the suspension or revocation of the final approval determination under Section 18(e), resumption of Federal enforcement, and/or proceedings for withdrawal of plan approval.

§ 1952.296 Where the plan may be inspected.

A copy of the principal documents comprising the plan may be inspected and copied during normal business hours at the following locations: Office of State Programs, Directorate of Federal-State Operations, Occupational Safety and Health Administration, U.S. Department of Labor, 200 Constitution Avenue NW, Room N3700, Washington, DC 20210; Office of the Regional Administrator, Occupational Safety and Health Administration, Room 415, 71 Stevenson Street, San Francisco, California 94105; Office of the State Designee, Administrator, Nevada Division of Industrial Relations, 400 West King Street, Suite 400, Carson City, Nevada 89703.

Coast Guard

33 CFR Part 117

[CGD01-00-121]

RIN 2115-AE47

Drawbridge Operation Regulations: Harlem River, Newtown Creek, NY

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary final rule governing the operation of three New York City Bridges; the Third Avenue Bridge, mile 1.9, across the Harlem River between Manhattan and the Bronx, the Madison Avenue Bridge, mile 2.3, across the Harlem River between Manhattan and the Bronx, and the Pulaski Bridge, mile 0.6, across Newtown Creek between Brooklyn and Queens. This temporary final rule authorizes the bridge owner to close the above bridges on May 7, 2000, at different times of short duration to facilitate the running of the Five Boro Bike Tour. Vessels that can pass under the bridges without a bridge opening may do so at any time.

DATES: This temporary final rule is effective from 8 a.m. until 12 p.m. on Sunday, May 7, 2000.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket (CGD01-00-121) and are available for inspection or copying at the First Coast Guard District, Bridge Branch Office, 408 Atlantic Avenue,

Boston, Massachusetts, 02110, 6:30 a.m. to 3 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Mr. John W. McDonald, Project Officer, First Coast Guard District, (617) 223-8364.

SUPPLEMENTARY INFORMATION:

Regulatory Information

The Coast Guard has determined that good cause exists under the Administrative Procedure Act (5 U.S.C. 553) to forego notice and comment for this rulemaking because notice and comment are impracticable. The Coast Guard believes notice and comment are impracticable because the requested closures are of such short duration. In the last two years, there have been few requests to open these bridges on Sunday during the hours they will be closed. Vessel traffic on the Harlem River and Newtown Creek is mostly commercial vessels that normally pass under the draws without openings. The commercial vessels that do require openings are work barges that do not operate on Sundays. The Coast Guard, for the reasons just stated, has also determined that good cause exists for this rule to be effective less than 30 days after it is published in the **Federal Register**.

Background

Third Avenue Bridge. The Third Avenue Bridge, mile 1.9, across the Harlem River between Manhattan and the Bronx, has a vertical clearance of 25 feet at mean high water and 30 feet at mean low water in the closed position. The existing operating regulations listed at § 117.789(c) require the draw to open on signal from 10 a.m. to 5 p.m., if at least a four-hour notice is given to the New York City Highway Radio (Hotline) Room. From 5 p.m. to 10 a.m., the draw need not be opened for vessel traffic.

Madison Avenue Bridge. The Madison Avenue Bridge, mile 2.3, across the Harlem River between Manhattan and the Bronx, has a vertical clearance of 25 feet at mean high water and 29 feet at mean low water in the closed position. The existing operating regulations listed at § 117.789(c) require the draw to open on signal from 10 a.m. to 5 p.m., if at least a four-hour notice is given to the New York City Highway Radio (Hotline) Room. From 5 p.m. to 10 a.m., the draw need not be opened for vessel traffic.

Pulaski Bridge. The Pulaski Bridge, mile 0.6, across the Newtown Creek between Brooklyn and Queens, has a vertical clearance of 39 feet at mean high water and 43 feet at mean low water in the closed position. The existing operating regulations require the draw to open on signal at all times.

The New York City Department of Transportation (NYCDOT) requested a change to the operating regulations for the Third Avenue Bridge, the Madison Avenue Bridge, and the Pulaski Bridge on May 7, 2000, to allow the bridges to remain in the closed position at different times to facilitate the running of the Five Boro Bike Tour.

The Third Avenue Bridge, mile 1.9, across the Harlem River between Manhattan and the Bronx and the Madison Avenue Bridge, mile 2.3, across the Harlem River between Manhattan and the Bronx, shall remain in the closed position from 8 a.m. to 11 a.m. on May 7, 2000. The Pulaski Bridge, mile 0.6, across the Newtown Creek between Brooklyn and Queens, shall remain in the closed position from 9 a.m. to 12 p.m. on May 7, 2000.

Vessels that can pass under the bridges without bridge openings may do so at all times.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979). This conclusion is based on the fact that the requested closures are of short duration and on Sunday morning when there have been few requests to open these bridges.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612) we considered whether this rule would have a significant economic impact on a substantial number of small entities. "Small entities" comprises small businesses, not-for profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This conclusion is based on the fact that the requested closures are of short duration and on Sunday when there have been few requests to open these bridges.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121),

we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal Government's having first provided the funds to pay those unfunded mandate costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under E.O. 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of E.O. 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under E.O. 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to

safety that may disproportionately affect children.

Environment

The Coast Guard considered the environmental impact of this rule and concluded that under figure 2-1, paragraph (32)(e) of Commandant Instruction M16475.1C, this rule is categorically excluded from further environmental documentation because promulgation of changes to drawbridge regulations have been found to not have a significant effect on the environment. A "Categorical Exclusion Determination" is available in the docket for inspection or copying where indicated under ADDRESSES.

BILLING CODE 4910-15-P

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 21

RIN 2900-AJ69

Modified Eligibility Criteria for the Montgomery GI Bill—Active Duty

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: This document amends the educational assistance and education benefit regulations of the Department of Veterans Affairs (VA). The amendments reflect statutory changes in the eligibility criteria for the Montgomery GI Bill—Active Duty which were made by the Veterans Programs Enhancement Act of 1998. This document also makes other changes for the purpose of clarification.

DATES: *Effective Date:* This final rule is effective April 18, 2000.

Applicability Date: October 1, 1998.

FOR FURTHER INFORMATION CONTACT:

William G. Susling, Jr., Education Advisor, Education Service (225C), Veterans Benefits Administration, 202-273-7187.

SUPPLEMENTARY INFORMATION: The Veterans Programs Enhancement Act of 1998 (Pub. L. 105-368) contains provisions that affect the educational assistance and education benefit regulations. This document amends these regulations to correspond with new statutory provisions concerning the education criteria an individual must meet in order to establish eligibility for the Montgomery GI Bill—Active Duty (MGIB).

To meet the eligibility criteria for the MGIB, a veteran, among other things, must have completed the requirements of a secondary school diploma (or the equivalency certificate). Previously, if a veteran did not actually receive a diploma, by statute a veteran could have met this criterion only by successfully completing within statutory deadlines the equivalent of 12 semester hours.

Public Law 105-368 provides that the criterion will also be met if the veteran otherwise receives academic credit for the equivalent of 12 semester hours. Thus, a veteran who did not actually earn 12 semester hours credit, but who received academic credit for 12 semester

hours because of his or her life experiences before the applicable deadline, would now be eligible for MGIB. We are amending 38 CFR 21.7042, 21.7044, and 21.7045 to reflect this provision of law. We are also making nonsubstantive changes for the purpose of clarity.

Consistent with the effective date provisions of section 203 of Public Law 105-368, the date of applicability for the provisions in this final rule that affect eligibility criteria for the Montgomery GI Bill—Active Duty is October 1, 1998.

Substantive changes made by this final rule merely reflect statutory requirements. Accordingly, there is a basis for dispensing with prior notice and comment and delayed effective date provisions of 5 U.S.C. 552 and 553.

The Secretary of Veterans Affairs hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. This final rule directly affects only individuals. Pursuant to 5 U.S.C. 605(b), this final rule, therefore, is exempt from the initial and final regulatory flexibility analyses requirements of sections 603 and 604.

The Catalog of Federal Domestic Assistance number for the program affected by this final rule is 64.124.
