Science Advisory Board; Notification of Public Advisory Committee Meeting

Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that the Environmental Engineering Committee (EEC) of the USEPA Science Advisory Board (SAB) will meet by conference call May 3, 2000 from 3-5 p.m. Eastern Time. Participation in this conference call is by telephone only; a limited number of lines have been reserved for members of the public wishing to participate.

Purpose of the Meeting—The primary purpose of the meeting is to allow the Committee to consider the report of its Technology Evaluation Subcommittee. The Subcommittee reviewed the degree to which quality management is built into the Environmental Technology Verification (ETV) program at a public meeting March 6-8, 2000 as announced in the February 15, 2000 **Federal Register** (65 FR 7550). When the Subcommittee's report is approved by the EEC, it will be forwarded to the Executive Committee of the Science Advisory Board for approval before being transmitted to the Agency. To the extent that time allows, the EEC will conduct other routine business at the meeting such as discussion of reports in progress and planned activities.

The documents reviewed by the Subcommittee are available from the Office of Research and Development as announced in the **Federal Register**, Volume 65, Number 8 on January 12, 2000. Copies of the Subcommittee's draft report will be available from Ms. Kathleen White Conway after April 25, 2000.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing further information concerning this meeting or wishing to submit brief oral comments must contact Ms. Kathleen White Conway, Designated Federal Officer, Science Advisory Board (1400A), U.S. Environmental Protection Agency, Ariel Rios Building North, 1200 Pennsylvania Avenue, NW, Washington, DC 20460; telephone (202) 564-4559; FAX (202) 501-0582; or via e-mail at conway.katheen@epa.gov. Email is preferred. Requests for oral comments must be in writing (e-mail, fax or mail) and received by Ms. Conway no later than noon Eastern Time on April 26.

Providing Oral or Written Comments at SAB Meetings

It is the policy of the Science Advisory Board to accept written public comments of any length, and to accommodate oral public comments whenever possible. The Science Advisory Board expects that public statements presented at its meetings will not be repetitive of previously submitted oral or written statements. *Oral Comments:* In general, each individual or group requesting an oral presentation at a face-to-face meeting will be limited to a total time of ten minutes. For teleconference meetings, opportunities for oral comment will usually be limited to no more than three minutes per speaker and no more than fifteen minutes total. Deadlines for getting on the public speaker list for a

meeting are given above. Speakers should bring at least 35 copies of their comments and presentation slides for distribution to the reviewers and public at the meeting. *Written Comments:* Although the SAB accepts written comments until the date of the meeting (unless otherwise stated), written comments should be received in the SAB Staff Office at least one week prior to the meeting date so that the comments may be made available to the committee for their consideration. Comments should be supplied to the appropriate DFO at the address/contact information noted above in the following formats: one hard copy with original signature, and one electronic copy via e-mail (acceptable file format: WordPerfect, Word, or Rich Text files—in IBM-PC/Windows 95/98 format). Those providing written comments and who attend the meeting are also asked to bring 35 copies of their comments for public distribution.

Additional information concerning the Science Advisory Board, its structure, function, and composition, may be found on the SAB Website (<http://www.epa.gov/sab>) and in The FY1999 Annual Report of the Staff Director which is available from the SAB Publications Staff at (202) 564-4533 or via fax at (202) 501-0256.

Meeting Access

Individuals requiring special accommodation at this teleconference meeting should contact Ms. Conway at least five business days prior to the meetings so that appropriate arrangements can be made.

Dated: April 12, 2000.

Donald G. Barnes,

Staff Director, Science Advisory Board.

FEDERAL RESERVE SYSTEM

Agency Information Collection Activities: Announcement of Board Approval Under Delegated Authority, Emergency Processing Provision, and Submission to OMB

SUMMARY:

Background

Notice is hereby given of final approval of revisions to current information collections by the Board of Governors of the Federal Reserve System (Board) under OMB delegated authority, as per 5 CFR 1320.16 (OMB Regulations on Controlling Paperwork Burdens on the Public) and the Paperwork Reduction Act emergency processing provision, as per 5 CFR 1320.13. The emergency approval is only valid until October 31, 2000. Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the OMB 83-Is and supporting statements and approved collection of information instruments are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

FOR FURTHER INFORMATION CONTACT: Chief, Financial Reports Section—Mary

M. West—Division of Research and Statistics, Board of Governors of the Federal Reserve System, Washington, DC 20551 (202-452-3829); OMB Desk Officer—Alexander T. Hunt—Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 3208, Washington, DC 20503 (202-395-7860).

Final Approval Under OMB Delegated Authority of the Revision Without Extension of the Following Reports

1. *Report title:* Bank Holding Company Report of Changes in Investments and Activities.

Agency form number: FR Y-6A.

OMB Control number: 7100-0124.

Effective Date: April 11, 2000.

Frequency: on occasion.

Reporters: bank holding companies, state member banks not affiliated with a bank holding company.

Annual reporting hours: 12,571.

Estimated average hours per response: 0.95 hours.

Number of respondents: 2,406.

Small businesses are not affected.

General description of report: This information collection is mandatory (12 U.S.C. 1844(b) and (c)) and is not routinely given confidential treatment. However, confidential treatment for the report information can be requested, in whole or part, in accordance with the instructions to the form.

Abstract: The Bank Holding Company Report of Changes in Investments and Activities is an event-generated report filed by top-tier bank holding companies to report changes in regulated investments and activities made pursuant to the Bank Holding Company Act and Regulation Y. The report collects information relating to acquisitions, divestitures, changes in activities, and legal authority. The number of FR Y-6As submitted varies depending on the reportable activity engaged in by each bank holding company.

As a result of the enactment of the Gramm-Leach-Bliley Act of 1999, the Federal Reserve has: (1) Required financial holding companies, other bank holding companies, and state member banks not affiliated with a bank holding company or financial holding company to complete the form, (2) added structure items to capture information on financial holding company status, financial subsidiary holder status, functionally regulated subsidiaries, and financial subsidiaries, (3) revised the index of regulatory codes and provisions and the index of activity codes, and (4) revised the instructions for the types of investments reportable on the form.
