

2000), the Common Carrier Bureau asked for supplemental filings on a proposal in this proceeding to require resellers to obtain their own carrier identification codes, establishing comment and reply comment dates of June 6 and June 13, 2000, respectively. See *Common Carrier Bureau Asks Parties to Refresh Record and Seeks Additional Comment on Proposal to Require Resellers to Obtain Carrier Identification Codes, Public Notice*, DA 00-1093, released May 17, 2000. On May 30, 2000, the Association of Communications Enterprises (ASCENT), formerly the Telecommunications Resellers Association, requested that the comment periods be extended by 30 days, to July 6 and July 13, 2000, respectively. ASCENT contends, among other things, that it is working with its members to compile data responsive to the Public Notice, but that the time allotted "has unfortunately proven inadequate[.]" ASCENT Request for Extension of Time at 3.

Based on consideration of ASCENT's filing, we conclude that a one-week extension of time is warranted. Therefore, we shall extend the respective comment and reply comment dates to June 13 and June 20, 2000. This extension will provide interested parties with more than three weeks from the date of release of the *Public Notice* in which to prepare their supplemental filings, a period that we believe should be sufficient to prepare the requested information.

For the foregoing reasons, pursuant to 47 CFR 1.46 of the Commission's rules, the Common Carrier Bureau hereby extends the comment and reply comment dates in this matter to June 13 and June 20, 2000, respectively.

Dated: June 5, 2000.

[DA No. 00-1143; MM Docket No. 99-133; RM-9523]

Radio Broadcasting Services; Evergreen, MT

AGENCY: Federal Communications Commission.

ACTION: Proposed rule, denial.

SUMMARY: This document denies a petition for rule making filed by

Mountain West Broadcasting requesting the allotment of Channel 230A at Evergreen, Montana. See 64 FR 24996, May 10, 1999. Based on the information submitted by Mountain West Broadcasting, we believe it has failed to establish that Evergreen qualifies as a community for allotment purposes and therefore it would not serve the public interest to allot a channel to Evergreen. With this action, this proceeding is terminated.
