Application of Florida Coastal Airlines, Inc. for Authority To Conduct Scheduled Commuter Air Carrier Operations Pursuant to 49 U.S.C. § 41738; Application of Florida Coastal Airlines, Inc.

[Docket OST-00-]

August 15, 2000.

Florida Coastal Airlines, Inc. ("Florida Coastal") hereby applies, pursuant to 49 U.S.C. § 41738 of the Federal Aviation Statutes, Subpart A of the Procedural Regulations and Section 204.3 of the Economic Regulations of the Department of Transportation (the "Department"), for issuance of commuter air carrier authority to enable Florida Coastal to engage in interstate and foreign scheduled air transportation operations under Part 298 of the Department's Economic Regulations. Florida Coastal is currently engaged in on-demand passenger charter operations utilizing small aircraft pursuant to Part 298 and Part 135 of the Federal Aviation Regulations, and desires to commence scheduled operations on November 20, 2000.

In support of this Application, Florida Coastal states as follows:

Application of HeartLand Airlines, LLC for a certification of public convenience and necessity pursuant to 49 U.S.C. 41102 to engage in scheduled interstate air transportation; Application of HeartLand Airlines, LLC

[Docket OST-2000-7815-1]

Any person may support or oppose this Application by filing an answer and serving a copy of the answer on all persons served with this Application on or before September 6, 2000.

OFB holding interests in the airline may change. HeartLand will update this citizenship information as warranted.

3. *Authority Requested By HeartLand.* HeartLand hereby requests authority to engage in interstate scheduled air transportation of persons, property and mail between any point or points in the United States, its territories and possessions, or the District of Columbia, on the one hand, and any other point or points in the United States, its territories and possessions.

4. *Service Proposal.* By the end of the first 12 months of operations HeartLand and its code share partner (or partners) will be conducting weekday operations in a total of fourteen nonstop Dayton city-pair markets using a total of six 717 aircraft and six J-31 or similar turboprop aircraft. HeartLand is submitting a route map identifying the weekday markets it proposes to serve or could potentially serve as Exhibit 18. Because of the commercial sensitivity of this marketing information, and because HeartLand will not commence service until June 2001, the applicant is requesting in a separate motion to withhold Exhibit 18 from public disclosure pursuant to Rule 12 of the DOT's Rules of Practice, 14 CFR § 302.12.
