

Committee must follow in making the decision on review. The Board in its decision, or the Advisory Committee in its report to the Board, shall affirm, reverse or modify, in whole or in part, the decision of the Business Conduct Committee. A modification may include an increase or decrease of the sanction. However, neither the Board nor the Advisory Committee reverse, or modify, in whole or in part, the findings, conclusions, and decision of the Business Conduct Committee, if the factual conclusions in the decision are supported by substantial evidence, and such decision is not arbitrary, capricious or an abuse of discretion. A written decision of the Board must be served on the petitioner.

The proposed rule change also includes procedures for a review by the Board of Governors on its own initiative in sub-paragraph (c). The review would follow the procedure set forth in sub-paragraph (b) of the proposed rule. Together, these provisions are intended to establish a standard and process of review.

Finally, sub-paragraph (d) of the proposed rule sets forth the procedures by which the Exchange's Enforcement staff, within 10 days after service of notice and a copy of the decision of the Business Conduct Committee, may petition the Board for permission to appeal. The petition must specify the findings and conclusions that are subject to the petition, along with the reasons for review thereof. If permission is granted, the staff must serve a copy of the petition on the Respondent within 5 days. Respondent then has 15 days to file a written response with the Board, and the staff would have 15 days of service of the Respondent's initial response to file a reply. This paragraph is intended to expressly cover staff appeals.<sup>3</sup>

The Exchange believes that the proposed revisions, which have been developed specifically for issues unique to disciplinary matters, should facilitate appeals being processed in a systematic fashion. Furthermore, the Exchange believes that the proposed rule should promote an objective, consistent appeals procedure for both members of the Exchange and for the Exchange's Enforcement Staff. The provisions should also prevent undue delay, and any inconvenience that affects the parties as a direct result of

<sup>3</sup> Review of appeals initiated by the Exchange's Enforcement staff will be conducted in accordance with the procedure set forth in paragraph (b) of the proposed rule. such a delay. Finally, the proposed revisions will provide the Board of the Advisory Committee with a precise procedure to apply to such a hearing.

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6 of the Act,<sup>4</sup> in general, and Sections 6(b)(6) and 6(b)(7),<sup>5</sup> in particular, in that it is designed to ensure that Exchange members and persons associated with members are appropriately disciplined for violations of the provisions of the Act, the rules and regulations thereunder, or the rules of the Exchange, as well as providing a fair procedure for the disciplining of Exchange members and persons associated with members.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.
