BILLING CODE 4710-25-M

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Docket No. WTO/D-212]

WTO Consultations Regarding Countervailing Duty Measures Concerning Certain Products From the European Communities

AGENCY: Office of the United States Trade Representative.

ACTION: Notice; request for comments.

SUMMARY: The Office of the United States Trade Representative (USTR) is providing notice that on November 13, 2000, the United States received from the European Communities (EC) a request for consultations under the Marrakesh Agreement Establishing the World Trade Organization (WTO Agreement). The request relates to the continued application by the United States of countervailing duties based upon the "change in ownership" methodology used by the U.S. Department of Commerce (Commerce). The measures identified by the EC (including the relevant Commerce case number) are as follows:

- Original Imposition of Countervailing Duties
- Stainless Steel Sheet and Strip in Coils from France (C-427-815)
- Certain Cut-to-Length Carbon Quality Steel from France (C-427-817)
- Certain Pasta from Italy (C-475-819)
- Stainless Steel Sheet and Strip in Coils from Italy (C-475-825)*
- Certain Stainless Steel Wire Rod from Italy (C-475-821)*
- Stainless Steel Plate in Coils from Italy (C-475-823)*
- Certain Cut-to-Length Carbon-

Quality Steel Plate from Italy (C-475-827)

(With respect to those cases marked with an asterisk, the correct case numbers are provided, as opposed to the incorrect case numbers included in the EC's request for consultations.)

- Administrative Reviews
- Cold-Rolled Carbon Steel Flat Products from Sweden (C-401-401)
- Cut-to-Length Carbon Steel Plate from Sweden (C-401-804)
- Grain-Oriented Electrical Steel from Italy (C-475-812)

(With respect to case C-475-812, the EC consultation request identifies the "Preliminary determination, plus final sunset results".)

- Sunset Reviews
- Cut-to-Length Carbon Steel Plate from the United Kingdom (C-412-815)
- Certain Corrosion-Resistant Carbon Steel Flat Products from France (C-427-810)
- Cut-to-Length Carbon Steel Plate from Germany (C-428-817)
- Cut-to-Length Carbon Steel Plate from Spain (C-469-804)

The EC alleges that the continued application of Commerce's change in ownership methodology in these countervailing duty proceedings violate Articles 10, 19 and 21 of the WTO Agreement on Subsidies and Countervailing Measures (SCM Agreement), because, according to the EC, there is no proper determination of a benefit to the producer of the goods under investigation, as required by Article 1.1(b) of the SCM Agreement. Under Article 4.3 of the WTO Dispute Settlement Understanding (DSU), consultations are to take place within a period of 30 days from the date of receipt of the request, or within a period otherwise mutually agreed between the United States and the EC. USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although USTR will accept any comments received during the course of the dispute settlement proceedings, comments should be submitted on or before January 15, 2001, to be assured of timely consideration by USTR.

ADDRESSES: Submit comments to Sandy McKinzy, Monitoring and Enforcement Unit, Office of the General Counsel, Room 122, Office of the United States Trade Representative, 600 17th Street, NW., Washington, DC, 20508, Attn: Change in Ownership Methodology Dispute. Telephone: (202) 395-3582.
