Bureau of Land Management

[NM-932-1430-ET; NMNM 25016-30]

Public Land Order No. 7470; Partial Revocation of Executive Order Dated April 17, 1926; New Mexico

AGENCY: Bureau of Land Management, Interior.

ACTION: Public land order.

SUMMARY: This order partially revokes an Executive order insofar as it affects 39.91 acres of land withdrawn for the Bureau of Land Management's Public Water Reserve No. 107. The land does not meet the criteria for a public water reserve. This action will open the land to surface entry and nonmetalliferous mining. The Executive order did not close any of the land to metalliferous mining or to mineral leasing.

EFFECTIVE DATE: January 8, 2001.

FOR FURTHER INFORMATION CONTACT: Jeanette Espinosa, BLM New Mexico State Office, 1474 Rodeo Road, Santa Fe, New Mexico 87505, 505-438-7597.

By virtue of the authority vested in the Secretary of the Interior by section 204 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714 (1994), it is ordered as follows:

1. The Executive Order dated April 17, 1926, which established Public Water Reserve No. 107, is hereby revoked insofar as it affects the following described land:

New Mexico Principal Meridian

T. 20 S., R. 28 E.,

Sec. 1, lot 1.

The area described contains 39.91 acres in Eddy County.

2. At 10 a.m. on January 8, 2001, the land described in paragraph 1 will be opened to the operation of the public land laws generally, subject to valid existing rights, the provisions of existing withdrawals, other segregations of record, and the requirements of

applicable law. All valid applications received at or prior to 10 a.m. on January 8, 2001, shall be considered as simultaneously filed at that time. Those received thereafter shall be considered in the order of filing.

3. At 10 a.m. on January 8, 2001, the land described in paragraph 1 will be opened to nonmetalliferous mineral location and entry under the United States mining laws, subject to valid existing rights, the provisions of existing withdrawals, other segregations of record, and the requirements of applicable law. Appropriation of any of the land for nonmetalliferous minerals under the general mining laws prior to the date and time of restoration is unauthorized. Any such attempted appropriation, including attempted adverse possession under 30 U.S.C. 38 (1994), shall vest no rights against the United States. Acts required to establish a location and to initiate a right of possession are governed by State law where not in conflict with Federal law. The Bureau of Land Management will not intervene in disputes between rival locators over possessory rights since Congress has provided for such determinations in local courts.

Dated: November 14, 2000.

Sylvia V. Baca,

Assistant Secretary of the Interior.

DEPARTMENT OF JUSTICE

Civil Rights Division

Agency Information Collection Activities, Proposed Collection; Comment Request

ACTION: Notice of Information Collection Under Review; Extension of currently approved information collection; Complaint Form, Coordination and Review Section, Civil Rights Division, Department of Justice.

The Department of Justice, Civil Rights Division has submitted the following information collection request for review and clearance in accordance with the Paperwork Reduction Act of 1995. Office of Management and Budget approval is being sought for the information collection listed below. This proposed information collection was previously published in the **Federal Register** on September 11, 2000, page 54861-54862, allowing for a 60-day public comment period.

The purpose of this notice is to allow an additional 30 days for public comment until January 8, 2001. This process is conducted in accordance with 5 CFR 1320.10. Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention: Department of Justice Desk Officer, Washington, DC 20503. Comments may

also be submitted to the Department of Justice (DOJ), Justice Management and Security Staff, Attention: Department Deputy Clearance Office, Suite 1220, 1331 Pennsylvania Avenue, NW, Washington, DC 20530.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points.

(1) Evaluate whether the proposed collection information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) Type of Information Collection: Extension of Currently Approved Collection.

(2) Title of the Form/Collection: Complaint Form, Coordination and Review Section, Civil Rights Division, Department of Justice.

(3) Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: No form number. Coordination and Review Section, Civil Rights Division, U.S. Department of Justice.

(4) Affected public who will be asked or required to respond, as well as a brief abstract:

Primary: Individuals or Households. The information collection is used to find jurisdiction to investigate the alleged discrimination, to seek whether a referral is necessary, and to provide information needed to initiate investigation of the complaint. Respondents are individuals alleging discrimination.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: 1560 responses per year; 1/2 hour per response. The information will be submitted by the respondent only once. Thus, there will be approximately
