

evidence including U.S. Customs import data, lost sales, and pricing information. We have assessed the allegations and supporting evidence regarding material injury and causation, and have determined that these allegations are properly supported by accurate and adequate evidence, and meet the statutory requirements for initiation (see Initiation Checklist).

Initiation of Antidumping Investigations

Based upon our examination of the petitions on stainless steel bar, we have found that they meet the requirements of section 732 of the Act. Therefore, we are initiating antidumping duty investigations to determine whether imports of stainless steel bar from France, Germany, Italy, Korea, Taiwan and the United Kingdom are being, or are likely to be, sold in the United States at less than fair value. Unless this deadline is extended pursuant to section 733(b)(1)(A), we will make our preliminary determinations no later than 140 days after the date of this initiation.

Distribution of Copies of the Petitions

In accordance with section 732(b)(3)(A) of the Act, a copy of the public version of each petition has been provided to the representatives of the governments of France, Germany, Italy, Korea, Taiwan, and the United Kingdom. We will attempt to provide a copy of the public version of each petition to each exporter named in the petitions, as provided for under section 351.203(c)(2) of the Department's regulations.

ITC Notification

We have notified the ITC of our initiations, as required by section 732(d) of the Act.

Preliminary Determinations by the ITC

The ITC will determine no later than February 12, 2001 whether there is a reasonable indication that imports of stainless steel bar from France, Germany, Italy, Korea, Taiwan, and the United Kingdom are causing material injury, or threatening to cause material injury, to a U.S. industry. A negative ITC determination for any country will result in the investigation being terminated with respect to that country; otherwise, these investigations will proceed according to statutory and regulatory time limits.

This notice is issued and published pursuant to section 777(i) of the Act.

Dated: January 7, 2001.

Certain Iron-metal Castings From India: Rescission of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Rescission of Countervailing Duty Administrative Review.

SUMMARY: On November 30, 2000, in response to a request from Howrah Ferrous Limited, the Department of Commerce initiated an administrative review of the countervailing duty order on certain iron-metal castings from India. The administrative review covers the period January 1, 1999 through December 31, 1999. In accordance with 19 CFR 351.213(d)(1), the Department is now rescinding this review because the company has withdrawn its request for the review.

EFFECTIVE DATE: January 24, 2001.

FOR FURTHER INFORMATION CONTACT: Robert Copyak, Office of AD/CVD Enforcement VI, Group II, Import Administration, U.S. Department of Commerce, Room 4012, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-2786.

SUPPLEMENTARY INFORMATION:

The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions of the Tariff Act of 1930, as amended (the Act) by the Uruguay Round Agreements Act (URAA), effective January 1, 1995. In addition, unless otherwise indicated, all citations to the Department's regulations reference 19 CFR part 351 (2000).

Background

On October 31, 1999, the Department received a request for an administrative review of the countervailing duty order

on certain iron-metal castings from India from Howrah Ferrous Limited, for the period January 1, 1999 through December 31, 1999. On November 30, 2000, the Department published in the **Federal Register** (65 FR 71299) a notice of "Initiation of Countervailing Duty Administrative Review," initiating the administrative review. On December 26, 2000, the company withdrew its request for the review.

Rescission of Review

The applicable regulation, 19 CFR 351.213(d)(1), states that if a party that requested an administrative review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review, the Secretary will rescind the review. In this case, respondents have withdrawn their request within the 90-day period. No other interested party requested a review, and we have received no other submissions regarding the withdrawal of the request for review. Therefore, we are rescinding this review of the countervailing duty order on certain iron-metal castings from India covering the period January 1, 1999 through December 31, 1999. We will issue appropriate appraisement instructions to the U.S. Customs Service.

This notice is in accordance with 19 CFR 351.213(d)(4) and section 777(i) of the Act.

Dated: January 16, 2001.
