

**CORPORATION FOR NATIONAL AND COMMUNITY SERVICE****Proposed Information Collection; Comment Request.**

**AGENCY:** Corporation for National and Community Service.

**ACTION:** Notice.

**SUMMARY:** The Corporation for National and Community Service (hereinafter the "Corporation"), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. Sec. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirement on respondents can be properly assessed.

Currently, the Corporation is soliciting comments concerning its proposed renewal of its AmeriCorps\*NCCC Team Leader Application, OMB Control Number 3045-0005. This form is used to collect information that will be used by AmeriCorps\*NCCC staff in the evaluation and selection of Team Leaders.

Copies of the information collection requests can be obtained by contacting the office listed in the address section of this notice.

**DATES:** Written comments must be submitted to the individual and office listed in the **ADDRESSES** section by May 7, 2001.

**ADDRESSES:** Comments may be sent to the Corporation for National and Community Service, Attention: Mr. Philip Shaw, AmeriCorps\*National Civilian Community Corps, 1201 New York Ave., NW., 9th Floor, Washington, DC 20525.

**FOR FURTHER INFORMATION CONTACT:** Philip Shaw, (202) 606-5000, ext. 476.

**SUPPLEMENTARY INFORMATION:** The Corporation is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Corporation, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the

proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are expected to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submissions of responses).

**Background**

The Team Leader Application form is completed by applicants who wish to serve as Team Leaders at AmeriCorps\*NCCC regional campuses.

**Current Action**

The Corporation seeks to renew and revise the current form. When revised, the form will include discussion concerning an additional application consideration period and will be used for the same purpose and in the same manner as the existing form. The Corporation also seeks to continue using the current form until the revised form is approved by OMB. The current form is due to expire on September 30, 2001.

## DEPARTMENT OF DEFENSE

### Office of the Secretary

#### Proposed Collection; Comment Request

**AGENCY:** Office of the Assistant Secretary of Defense for Health Affairs, Defense.

**ACTION:** Notice.

In accordance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Office of the Assistant Secretary of Defense for Health Affairs/TRICARE Management Activity announces a proposed new public health information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed new collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and, (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

**DATES:** Consideration will be given to all comments received on or before May 1, 2001.

**ADDRESSES:** Written comments and recommendations on the information collection should be sent to the TRICARE Management Activity (Optimization & Integration), Attention: LTC Scott Goodrich, MC, USA, Deputy Director, Population Health Programs, 5111 Leesburg Pike, Suite 810, Falls Church, VA 22041-3206.

**FOR FURTHER INFORMATION CONTACT:** To request more information on this proposed information collection, please write to the above address.

*Title; Associated Form; and OMB Number:* Health Evaluation Assessment Review (HEAR) Survey 2.X.

*Needs and Uses:* The objective of this work is to design and implement the HEAR 2.X. The HEAR is a tool that will help to define the health status of a population. The survey is a self-reported health assessment tool designed to

provide information regarding: (1) An individual's health risk factors and preventive care needs. These are reported to both the individual and their primary care manager; (2) which individuals are likely to use high levels of medical resources; and, (3) risk factors, care levels, and healthcare utilization for use in strategic planning for population health management and resource utilization at the Office of the Assistant Secretary of Defense (Health Affairs), TRICARE Management Activity, Regional, Major Command, Military Treatment Facility, and provider level healthcare. In addition, the HEAR 2.X will provide information in support of Healthy People 2010 and other population health programs. These data will provide needed information to better plan, deliver, and evaluate health care provided in the Military Health System.

*Affected Public:* Individual households.

*Annual Burden Hours:* 703,427.71 hours.

*Number of Respondents:* 2,106,071.

*Responses per Respondent:* 1 each year.

*Average Burden per Response:* 20 Minutes (0.334).

*Frequency:* Once.

#### SUPPLEMENTARY INFORMATION:

##### Summary of Information Collection

This request encompasses all activities required to develop and implement the HEAR 2.X survey. The HEAR is a unified approach to assess health and fitness for active duty and other DoD health care beneficiaries. The information is primarily used by health care personnel to plan health care delivery needs and to: (1) Identify patients requiring clinical preventive care (e.g., cholesterol screening, mammography, prostate exam, etc.); (2) target individuals who could benefit from counseling services associated with high risk behaviors (e.g., excessive alcohol consumption, smoking, drinking and driving, etc.); (3) categorize patients into one of three primary care levels according to the complexity and intensity of care required; (4) predict which patients will be high users of health care resources; (5) empower individuals to take responsibility for their own health; and, (6) assess the health status of the population so patients, providers, resource managers, commanders, and health planners at all levels can work towards improving health and managing care.
