

The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act (URAA). In addition, unless otherwise indicated, all citations to the Department of Commerce's (the Department's) regulations refer to 19 CFR Part 351 (2000).

Extension of Time Limit for Preliminary Results

The Department initiated these administrative reviews on August 25, 2000 (65 FR 53980 (September 6, 2000)). Under section 751(a)(3)(A) of the Act, the Department is required to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to do so, section 751(a)(3)(A) allows the Department to extend this deadline by a maximum of 120 days. Due to the large number of responding companies in these reviews and the administrative constraints resulting from other ongoing administrative reviews and investigations assigned to the office handling this case, it is not practicable to issue the preliminary results of these reviews within the time limit currently mandated by section 751(a)(3)(A) (i.e., April 2, 2001). Therefore, in accordance with section 751(a)(3)(A) and 19 CFR 351.213(h)(2), the Department is extending the time limit for completion of the preliminary results of these reviews by 120 days (i.e., until July 31, 2001).

Dated: March 28, 2001.

Richard W. Moreland,

Deputy Assistant Secretary for AD/CVD Enforcement.
