Purpose of Program: The program provides grants to support the recruitment, training and placement of talented individuals from other fields into teaching positions in K-12 classrooms and support them during their first years in the classroom. In particular, the program supports the recruitment, training, placement and support of two groups of nontraditional teaching candidates: (1) Mid-career professionals from various fields who possess strong subject-matter skills to become teachers, particularly in high-need fields such as mathematics, science, foreign languages, bilingual education, reading, and special education, and (2) recent college graduates with outstanding academic records and a baccalaureate degree in a field other than teaching.

Eligible Applicants: Local educational agencies, State educational agencies, educational service agencies, nonprofit agencies and organizations, including nonprofit organizations with expertise in teacher recruitment, and partnerships comprised of two or more of these entities.

Applications Available: April 16, 2001.

Deadline for Transmittal of Applications: June 15, 2001.

Deadline for Intergovernmental Review: August 14, 2001.

Estimated Available Funds: Approximately \$31,000,000.

The Department has established separate funding categories for projects of different scope. These categories are (1) national/regional projects where

placement of teachers would be in LEAs in more than one State, (2) statewide projects where placement of teachers would be statewide or in LEAs scattered across a particular State, and (3) local projects where placement of teachers would be in one LEA or in two or more LEAs located in close proximity to one another.

Estimated Range of Awards: National/regional projects—\$750,000–\$3,000,000; Statewide projects—\$375,000–\$1,500,000; Local projects—\$112,000–\$1,125,000.

Estimated Average Size of Awards: National/regional projects—\$1,500,000; Statewide projects—\$700,000; Local projects—\$375,000.

Maximum Award: We will reject any application that proposes a budget for the entire project period exceeding \$3,000,000 for a National/regional project, \$1,500,000 for a statewide project, or \$1,125,000 for a local project. The Department may change the maximum amount through a notice published in the **Federal Register**. The Department otherwise is not bound by any estimates in this notice.

Project Period: Up to 36 months.

Applicants must limit this section of their applications to the equivalent of no more than 50 pages.

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and sides.
