SUPPLEMENTARY INFORMATION: This notice provides a copy of the 2001 List of Designated Federal Entities and Federal Entities, which the Office of Management and Budget (OMB) is required to publish annually under the IG Act. This list is also posted on the OMB website at http://

www.whitehouse.gov/financial. The List is divided into two groups: Designated Federal Entities and Federal Entities. The Designated Federal Entities are required to establish and maintain Offices of Inspector General. The Designated Federal Entities are listed in the IG Act, except that those agencies which have ceased to exist have been deleted from the list. Federal Entities are required to report annually to each House of the Congress and OMB on audit and investigative activities in their organizations. Federal Entities are defined as "any Government corporation (within the meaning of section 103 (1) of title 5, United States Code), any Government controlled corporation (within the meaning of section 103 (2) of such title), or any other entity in the Executive Branch of government, or any independent regulatory agency" other than the Executive Office of the President and agencies with statutory Inspectors General. There is one deletion, one addition, and one retitled entity in the 2001 list of Designated Federal Entities and Federal Entities from the 2000 list published in the June 21, 2000, Federal **Register**. The Tennessee Valley Authority was deleted from the Designated Federal Entities list because legislation in 2000 redesignated it as a Federal Establishment as defined by the IG Act. The Delta Regional Authority was added as a Federal Entity, in accordance with P. L. 106-377. The National Education Goals Panel has been retitled as America's Education Goals Panel.

The 2001 List of Designated Federal Entities and Federal Entities was prepared in consultation with the U.S. General Accounting Office.
