

submitted by the petitioner with respect to the pellet imports shipped from Canada. This review finds that the company imports from countries other than Mexico or Canada contributed more importantly to declines in sales or production and to worker separations at ABB/Westinghouse, Hematite Plant, Festus, Missouri, than the Canadian imports identified by the petitioner.

#### Conclusion

After reconsideration, I affirm the original notice of negative determination of eligibility to apply for NAFTA-TAA for workers and former workers of ABB/Westinghouse, Hematite Plant, Festus, Missouri.

Signed at Washington, DC this 24th day of May 2001.

##### **AgriFrozen Foods, Woodburn, Oregon, et al.; Amended Certification Regarding Eligibility To Apply for NAFTA Transitional Adjustment Assistance**

In accordance with section 250(a), Subchapter 2, Title II, of the Trade Act of 1974, as amended (19 U.S.C. 2273), the Department of Labor issued a Certification of Eligibility to Apply for NAFTA Transitional Adjustment Assistance on April 17, 2001, applicable to workers of AgriFrozen Foods, Woodburn, Oregon. The notice was published in the **Federal Register** on May 3, 2001 (66 FR 22263).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of frozen vegetables. New findings show that worker separations occurred at AgriFrozen Foods' headquarters office in Salem, Oregon and at two production facilities in Grandview and Walla Walla, Washington. Findings also show that all remaining workers of the subject firm will be separated when it closes at the end of June, 2001.

The intent of the Department's certification is to include all workers of AgriFrozen Foods who were adversely affected by an increase in company imports of frozen vegetables from Mexico.

Accordingly, the Department is amending the certification to properly reflect this matter.

The amended notice applicable to NAFTA-04543 is hereby issued as follows:

All workers of AgriFrozen Foods, Woodburn, Oregon (NAFTA-TAA-04543), Salem, Oregon (NAFTA-04543A), Grandview, Washington (NAFTA-04543B) and Walla Walla, Washington (NAFTA-TAA-04543C) who became totally or partially separated from employment on or after February 9, 2000 through April 17, 2003 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, DC this 22nd day of May, 2001.

##### **Southern Oregon Log Scaling and Grading Bureau, Roseburg, Oregon; Notice of Negative Determination Regarding Application for Reconsideration**

By application dated March 2, 2001, a petitioner and the Oregon AFL-CIO (petitioners) request administrative reconsideration of the Department's negative determination regarding eligibility to apply for North American Free Trade Agreement-Transitional Adjustment Assistance (NAFTA-TAA), applicable to workers and former workers of the subject firm. The denial notice applicable to workers of Southern Oregon Log Scaling and Grading Bureau, Roseburg, Oregon, was signed on February 9, 2001, and was published in the **Federal Register** on March 2, 2001 (66 FR 13087).

Pursuant to 29 CFR 90.18(c) reconsideration may be granted under the following circumstances:

(1) If it appears on the basis of facts not previously considered that the determination complained of was erroneous;

(2) if it appears that the determination complained of was based on a mistake in the determination of facts not previously considered; or

(3) if in the opinion of the Certifying Officer, a misinterpretation of facts or of the law justified reconsideration of the decision.

The petitioners explain that the firm was created about 50 years ago by the timber industry, in cooperation with Federal and State authorities. The Board of Directors of the subject firm has historically been made up of persons representing the timber industry, some of which are the mill owners. The petitioners view is that the subject firm is related by control (to NAFTA-TAA certified worker groups) by its creation, daily operation, and by the make-up of the Board of Directors and their connection to the timber industry in specific and in general.

The NAFTA-TAA petition for workers of the subject firm was denied because the workers provided a service and did not produce an article within the meaning of in paragraph (a)(1) of Section 250 of the Trade Act, as amended. The workers at Southern Oregon Log Scaling and Grading Bureau, in Roseburg, Oregon, measure and grade (appraise) logs for their customers.
