Motorola, Inc. Personal Communications Sector Administrative Headquarters, Libertyville, IL; Notice of Termination of Investigation

Pursuant to section 221 of the Trade Act of 1974, an investigation was initiated on May 21, 2001 in response to a worker petition which was filed on behalf of workers at Motorola, Inc., Personnel Communications Sector, Libertyville, Illinois.

An active certification covering the petitioning group of workers is already in effect (TA-W-38,928A, as amended). Consequently, further investigation in this case would serve no purpose, and the investigation has been terminated.

Signed in Washington, DC this 25th day of July, 2001.

Linda G. Poole,

Certifying Officer, Division of Trade Adjustment Assistance.

Motorola, Inc. Personal Communications Sector; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on April 13, 2001, applicable to workers of Motorola, Inc., Personal Communications Sector, Harvard,

Illinois. The notice was published in the **Federal Register** on May 2, 2001 (66 FR 22006).

At the request of the company, the Department reviewed the certification for workers of the subject firm. The workers were engaged in the production of cellular phones. The company reports that worker separations occurred at the Administrative Headquarters, Libertyville, Illinois, Personal Communications Sector of Motorola, Inc. The Libertyville, Illinois location provides administrative functions, including marketing and engineering, directly supporting the subject firm's production facility in Harvard, Illinois.

Accordingly, the Department is amending the certification to include workers of Motorola, Inc., Personal Communications, Administrative Headquarters, Libertyville, Illinois.

The intent of the Department's certification is to include all workers of Motorola, Inc., Personal Communications Sector adversely affected by increased imports.
