

SUPPLEMENTARY INFORMATION: This invention relates to a novel and inexpensive shock-absorbing block or wall. Applications include crash cushion barriers on highways and around buildings. Made from scrap rubber tires and foamed concrete, the invention represents a significant advancement over currently available products. Patent number 5,863,483 claims the 1 method of making the block and patent number 5,942,306 claims the manufactured item. The United States of America, as represented by the Secretary of the Army, intends to grant an exclusive license for all fields of use in the manufacture, use, and sale of the Shock Absorbing Block to Camtek Construction Products Corporation, a company with principal offices located in Murrysville, Pennsylvania. Pursuant to 37 CFR 404.7(b)(1)(i), any interested party may file a written objection to this prospective exclusive license agreement.

Richard L. Frenette,
Counsel.
