Yolo Shortline Railroad Company— Lease and Operation Exemption—Port of Sacramento

Yolo Shortline Railroad Company (Yolo), a Class III rail carrier, has filed a notice of exemption under 49 CFR 1150.41 to lease from the Port of Sacramento (Port) and to operate approximately 3.1 miles of rail line (known as the Sacramento-Yolo Port Belt Railroad) in West Sacramento, CA. The Port granted Yolo exclusive occupancy and operating rights on

portions of the Port's trackage.¹ The rail lines extend from: (1) Engineer's Station 0.0 to Engineer's Station 24+62; (2) Engineer's Station 39+88 to Engineer's Station 62+29; and (3) Engineer's Station 107+33 to Engineer's Station 149+44. Yolo certifies that its projected annual revenues as a result of this transaction will not result in the creation of a Class II or Class I rail carrier.

The transaction was expected to be consummated on or about October 31, 2001.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 34114, must be filed with the Surface Transportation Board, Office of the Secretary, Case Control Unit, 1925 K Street, NW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on Mr. David Magaw, President, Yolo Shortline Railroad Company, 341 Industrial Way, Woodland, CA 95776.

Board decisions and notices are available on our website at: www.stb.dot.gov.

Decided: November 6, 2001.

By the Board, David M. Konschnik,
Director, Office of Proceedings.

Vernon A. Williams,
Secretary.

[STB Docket No. AB-33 (Sub-No. 185X)]

Union Pacific Railroad Company— Abandonment Exemption—in Pulaski County, AR

Union Pacific Railroad Company (UP) has filed a notice of exemption under 49 CFR 1152 subpart F—*Exempt Abandonments and Discontinuances of Service and Trackage Rights* to abandon a 0.63-mile rail line over the Junction

¹Port states that, in West Sacramento, it owns and maintains approximately 8 miles of railroad trackage of which it is leasing approximately 3.1 miles to Yolo. The remainder of the trackage is spurs and sidings within the Port's fenced-in industrial area that serves the Port and its various tenants and customers. The Port will retain the control and maintenance of its trackage within the fenced area of the Port's property, and Yolo will be the rail carrier providing direct service to the Port.

Bridge Line from milepost 343.65 to milepost 343.02, and a 2.1-mile rail line over the Rock Street Industrial Line from the Amtrak connection near milepost 345.3 to milepost 347.4 near E. 6th Street, a total distance of 2.73 miles, in Pulaski County, Little Rock, AR. The lines traverse United States Postal Service Zip Codes 66607 and 66612.

UP has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) the lines have a history of limited erratic use as an overhead route, but all such traffic can be rerouted over other UP rail lines in the area; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment and discontinuance shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed. Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on December 20, 2001, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,¹ formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),² and trail use/rail banking requests under 49 CFR 1152.29 must be filed by November 30, 2001. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by December 10, 2001, with: Surface Transportation

¹ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Service Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

² Each offer of financial assistance must be accompanied by the filing fee, which currently is set at \$1000. See 49 CFR 1002.2(f)(25).
