

Service (Customs) to continue suspending liquidation on all imports of the subject merchandise from the People's Republic of China. Customs shall require a cash deposit or the posting of a bond equal to the weighted-average amount by which normal value exceeds the export price as indicated in the chart above. These suspension-of-liquidation instructions will remain in effect until further notice.

#### International Trade Commission Notification

In accordance with section 735(d) of the Tariff Act, we have notified the International Trade Commission of our amended final determination.

This determination is issued and published in accordance with section 735(d) and 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: November 29, 2001.

#### Certain Steel Concrete Reinforcing Bars from Turkey; Notice of Extension of Time Limit for Preliminary Results in Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** December 5, 2001.

**SUMMARY:** The Department of Commerce is extending the time limit for completion of the preliminary results of the administrative review of the antidumping duty order on certain steel concrete reinforcing bars from Turkey. The period of review is April 1, 2000, through March 31, 2001.

**FOR FURTHER INFORMATION CONTACT:** Irina Itkin or Elizabeth Eastwood at (202) 482-0656 or (202) 482-3874, respectively, Office of AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

#### Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions effective January 1, 1995, the

effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce's (the Department's) regulations are to 19 CFR part 351 (2001).

**SUPPLEMENTARY INFORMATION:** On May 23, 2001, the Department published a notice of initiation of administrative review of the antidumping duty order on certain steel concrete reinforcing bars from Turkey. The period of review is April 1, 2000, through March 31, 2001. The review covers three producers/exporters of the subject merchandise to the United States.

Pursuant to section 751(a)(3)(A) of the Act, the Department shall make a preliminary determination in an administrative review of an antidumping order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend the 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period. Because it is not practicable to complete this administrative review within the time limit mandated by section 751(a)(3)(A) of the Act, the Department is extending the time limit for completion of the preliminary results. This review involves a number of complicated issues including high inflation in Turkey during the period of review. Because we need additional time for our analysis, we have extended the deadline until April 30, 2002.

This extension is in accordance with section 751(a)(3)(A) of the Act (19 U.S.C. 1675(a)(3)(A)) and 19 CFR 351.213(h)(2).

Dated: November 29, 2001.
