AGENCY: Employment and Training Administration (ETA), Labor.

ACTION: Notice of availability of funds and solicitation for grant applications (SGA). This notice contains all of the necessary information and forms needed to apply for grant funding.

SUMMARY: The Employment and Training Administration (ETA), U.S. Department of Labor (DOL), announces the availability of grant funds for skills training programs for unemployed and employed workers. These grants are financed by a user fee paid by employers to bring foreign workers into

the U.S. under a new H-1B nonimmigrant visa or at visa renewal. As part of the H-1B nonimmigrant visa program, this skills training program was authorized under the American Competitiveness and Workforce Improvement Act of 1998 (ACWIA), as amended. The grants are intended to be a long-term solution to domestic skill shortages in high skill and high technology occupations. Grant awards will be made only to the extent that funds are available. Section 414(c) of ACWIA as amended, (Pub. L. 106-313; 114 Stat. 1257, 29 USC 2916a(2)(A)(ii)) specifies that the Secretary of Labor shall award 25 percent of the grants under these provisions for demonstration projects or programs under section 171 of the Workforce Investment Act (Pub. L. 105-220, 29 USC 2916) to partnerships that shall consist of at least two businesses or a business-related nonprofit organization that represents more than one business, and that may include any educational, labor, community organization, or workforce investment board, except that such grant funds may be used only to carry out a strategy that would otherwise not be eligible for funds provided through workforce investment boards under H-1b technical Skills Training Grants announced in the **Federal Register** on April 13, 2001 (66 FR 19209), due to barriers in meeting those partnership eligibility criteria, on a national, multi-state, regional, or rural area (such as rural telework programs) basis. Community organizations may include faith-based organizations. Grants will be distributed fairly across rural and urban areas and across geographic regions.

This solicitation describes the application submission requirements, the process that eligible entities must use to apply for funds covered by this solicitation, and how grantees will be selected.
