

Public Meeting

The Coast Guard will hold a public meeting regarding international maritime security initiatives on Thursday, January 3, 2002 from 9 a.m. to 5 p.m. The meeting will be held at the address under **ADDRESSES**.

Background

At the recently concluded (November 19–29, 2001) 22nd Session of the International Maritime Organization (IMO) Assembly, the Secretary General of IMO proposed a resolution on review of measures and procedures to prevent acts of terrorism which threaten the security of passengers and crews and the safety of ships (Resolution A.924(22)), which was adopted by the Assembly. In view of the importance of the matter, the Assembly further agreed to convene an international conference on maritime security in December 2002, with a view towards adopting maritime security related amendments to the International Convention on the Safety of Life at Sea (SOLAS). Proposals to be considered at this conference will first be considered at the 75th session of the Maritime Safety Committee (MSC) during May 2002.

To adequately prepare for the upcoming MSC session in May 2002, the Assembly has agreed to convene an MSC intersessional working group meeting on February 11–15, 2002 at IMO. The United States Coast Guard is preparing a paper to present at this working group meeting.

This notice announces a public meeting where the U.S. Coast Guard is soliciting comments from the public on measures that should be included in a U.S. submission to IMO on maritime security. We will place the draft on the docket for this notice as soon as it is available.

The Coast Guard is also scheduling a public workshop to discuss security procedures, programs, and capabilities within marine transportation systems. The public workshop is a separate meeting from this public meeting and a separate notice will be published in the **Federal Register**.
