

may become subject to the then current SCCP fee schedule in the thirteenth month.

SCCP believes that the ECN fee schedule provides competitive fees with appropriate incentives, thus providing a reasonable method to attract large order flow providers such as ECNs to the Exchange. Additional order flow should enhance liquidity and improve Phlx's and SCCP's competitive position in equity trading and clearance.

SCCP believes that the proposed changes to its fee schedule are consistent with section 17A of the Act because that they provide for the equitable allocation of reasonable dues, fees, and other charges in order to attract a new form of order flow to Phlx.

B. Self-Regulatory Organization's Statement on Burden on Competition

SCCP does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to section 19(b)(3)(A)(ii) of the Act⁶ and Rule 19b-4(f)(2)⁷ thereunder because the proposed rule change establishes a fee. At any time within sixty days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the

Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at Phlx's principal office. All submissions should refer to File No. SR-SCCP-2001-01 and should be submitted by January 7, 2002.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁸

Deputy Secretary.
