

voting officials rather than vendors, they are clearly outside the scope of the Standards. However, the Standards mandate a significant amount of disclosure from vendors in order to provide a clear understanding to election officials of how the system can be optimally operated.

The FEC invites all interested parties to submit comments. It is requested that each commenter indicate if he or she is willing to appear before the Commission. The FEC asks that, where appropriate, submitted comments reference the specific sections of the Standards that are germane to the submitted comment. Additionally, the FEC requests that comments regarding specific content be accompanied by specific suggestions for alterations to language or technical specifications, so that the Commission may consider changes that best reflect the intent of the commenter. Comments suggesting the use of alternate industry standards should provide the standard industry reference.
