

*Type of Request:* Extension of a currently approved information collection.

*Abstract:* NHTSA's statutory authority at 49 U.S.C. sections 30118(e) and 30120(e) specifies that "on petition of any interested person," NHTSA may hold hearings to determine whether a manufacturer of motor vehicles or motor vehicle equipment has met its obligation to notify owners, purchasers, and dealers of vehicles or equipment of a defect or noncompliance and to remedy a defect or noncompliance for Federal Motor Vehicle Safety Standards for some of the products the manufacturer produces.

To address these areas, NHTSA has promulgated 49 CFR part 557, Petitions for Hearings on Notification and Remedy of Defects, which adopts a uniform regulation that establishes procedures to provide for submission and disposition of petitions, and to hold hearings on the issue of whether the manufacturer has met its obligation to notify owners, distributors, and dealers of safety related defects or noncompliance and to remedy the problems by repair, repurchase, or replacement.

*Affected Public:* Business or other-for-profit, individuals or households.

*Estimated Total Annual Burden:* 21.

**ADDRESSES:** Send comments, within 30 days, to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725-17th Street, NW, Washington, DC 20503, Attention NHTSA Desk Officer.

*Comments are invited on:* Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Departments estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

A Comment to OMB is most effective if OMB receives it within 30 days of publication.

Issued in Washington, DC, on December 31, 2001.

**Delmas Johnson,**

## DEPARTMENT OF TRANSPORTATION

### National Highway Traffic Safety Administration

#### Reports, Forms and Record Keeping Requirements Agency Information Collection Activity Under OMB Review

**AGENCY:** National Highway Traffic Safety Administration, DOT.

**ACTION:** Notice.

**SUMMARY:** In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), this notice announces that the Information Collection Request (ICR) abstracted below has been forwarded to the Office of Management and Budget (OMB) for review and comment. The ICR describes the nature of the information collections and their expected burden. The **Federal Register** Notice with a 60-day comment period was published on August 16, 2001 [66 FR 43037-43039].

**DATES:** Comments must be submitted on or before February 6, 2002.

**FOR FURTHER INFORMATION CONTACT:** Jonathan White at the National Highway Traffic Safety Administration, Office of Defects & Recall Information Analysis (NSA-11), 202-366-5226. 400 Seventh Street, SW, Room 5319, Washington, DC 20590.

#### SUPPLEMENTARY INFORMATION:

### National Highway Traffic Safety Administration

*Title:* 49 CFR Part 576, Record Retention.

*OMB Number:* 2127-0042.

*Type of Request:* Extension of a currently approved information collection.

*Abstract:* Under 49 U.S.C. 30166(e), NHTSA "reasonably may require a manufacturer of a motor vehicle or motor vehicle equipment to keep records, and a manufacturer, distributor, or dealer to make reports, to enable (NHTSA) to decide whether the manufacturer, distributor or dealer has complied or is complying with this chapter or a regulation prescribed under this chapter."

49 U.S.C. 30118(c) requires manufacturers to notify NHTSA and owners, purchasers, and dealers if the manufacturer (1) "learns" that any vehicle or equipment manufactured by it contains a defect and decides in good faith that the defect relates to motor vehicle safety, or (2) "decides in good faith" that the vehicle or equipment does not comply with an applicable Federal motor vehicle safety standard. The only way for the agency to decide if and when a manufacturer "learned"

of a safety-related defect or "decided in good faith" that some products did not comply with an applicable Federal motor vehicle safety standard is for the agency to have access to the information available to the manufacturer.

*Affected Public:* Business or other-for-profit, individuals or households.

*Estimated Total Annual Burden:* 40,000.

**ADDRESSES:** Send comments, within 30 days, to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725-17th Street, NW, Washington, DC 20503, Attention NHTSA Desk Officer.

*Comments are invited on:* Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Departments estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

A Comment to OMB is most effective if OMB receives it within 30 days of publication.

Issued in Washington, DC, on December 31, 2001.

## DEPARTMENT OF TRANSPORTATION

### Surface Transportation Board

[STB Docket No. AB-290 (Sub-No. 219X)]

#### Norfolk Southern Railway Company—Abandonment Exemption—in Buchanan County, VA

Norfolk Southern Railway Company (NSR) has filed a notice of exemption under 49 CFR 1152 subpart F—*Exempt Abandonments* to abandon a 2.23-mile line of railroad between milepost HS-0.0 at Oakwood and milepost HS-2.23 at Mills, in Buchanan County, VA. The line traverses United States Postal Service Zip Code 24631.

NSR has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) no overhead traffic has moved over the line for at least 2 years and overhead traffic, if there were any, could be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or

local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed. Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on February 6, 2002, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,<sup>1</sup> formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),<sup>2</sup> and trail use/rail banking requests under 49 CFR 1152.29 must be filed by January 17, 2002. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by January 28, 2002, with: Surface Transportation Board, Office of the Secretary, Case Control Unit, 1925 K Street, NW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to NSR's representative: James R. Paschall, Esq., Norfolk Southern Corporation, Three Commercial Place, Norfolk, VA 23510.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

NSR has filed an environmental report which addresses the abandonment's effects, if any, on the environment and historic resources. SEA will issue an environmental assessment (EA) by January 11, 2002. Interested persons may obtain a copy of

the EA by writing to SEA (Room 500, Surface Transportation Board, Washington, DC 20423-0001) or by calling SEA, at (202) 565-1552.

Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), NSR shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned its line. If consummation has not been effected by NSR's filing of a notice of consummation by January 7, 2003, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our Web site at [www.stb.dot.gov](http://www.stb.dot.gov).

Decided: December 27, 2001.

By the Board, David M. Konschnik, Director, Office of Proceedings.

## DEPARTMENT OF THE TREASURY

### Customs Service

#### Extension of General Program Test Regarding Post Entry Amendment Processing

**AGENCY:** Customs Service, Treasury.

**ACTION:** General notice.

**SUMMARY:** This document announces that the general program test regarding post entry amendment processing is being extended for a period of one year. The test will continue to operate in accordance with the notice published in the **Federal Register** on November 28, 2000.

**DATES:** The test allowing post entry amendment to entry summaries is extended to December 31, 2002.

**FOR FURTHER INFORMATION CONTACT:** Bruce Ingalls, Chief, Entry and Drawback Management Branch, Office of Field Operations (202/927-1082).

**SUPPLEMENTARY INFORMATION:** Customs announced and explained the post entry amendment processing test in a general notice document published in the **Federal Register** (65 FR 70872) on November 28, 2000. That notice announced that the test would

commence no earlier than December 28, 2000, and run for approximately one year. In fact, the test is scheduled to operate through December 31, 2001.

Briefly, the test allows importers to amend entry summaries (not informal entries) prior to liquidation by filing with Customs either an individual amendment letter upon discovery of an error or a quarterly tracking report covering any errors that occurred during the quarter. The previously published general notice explained how to file post entry amendments for revenue related errors and non-revenue related errors, and the consequences of misconduct by importers during the test. It also provided that there are no application procedures or eligibility requirements. This document announces that the test is being extended to December 31, 2002. To participate in the test, an importer need only follow the procedure set forth in the previously published general notice.

Comments received in response to the previously published general notice have been reviewed and the test is being evaluated. Changes to the test based on the comments and the evaluation will be announced in the **Federal Register** in due course. The test may be further extended if warranted. Additional information on the post entry amendment procedure can be found under "Importing and Exporting" at <http://www.customs.gov>.

Dated: December 31, 2001.

## DEPARTMENT OF THE TREASURY

### Office of Foreign Assets Control

#### Proposed Collection; Comment Request for Cuban Remittance Affidavit

**AGENCY:** Office of Foreign Assets Control, Treasury.

**ACTION:** Notice and request for comments.

**SUMMARY:** The Department of the Treasury, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13 (44 U.S.C. 3506(c)(2)(A)). Currently, the Office of

<sup>1</sup> The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Service Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

<sup>2</sup> Each OFA must be accompanied by the filing fee, which currently is set at \$1,000. See 49 CFR 1002.2(f)(25).
