

notice requirement, and accelerate the operative date. The Commission finds good cause to waive the pre-filing notice requirement, and to designate the proposal to be both effective and operative upon filing because such designation is consistent with the protection of investors and the public interest. Waiver of these requirements will allow the pilot to continue uninterrupted through April 15, 2002. For these reasons, the Commission finds good cause to designate that the proposal is both effective and operative upon filing with the Commission.¹¹

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange. All submissions should refer to the file number SR-Phlx-2002-03, and should be submitted by February 14, 2002.

Self-Regulatory Organizations; Order Approving Proposed Rule Change by the Philadelphia Stock Exchange, Inc., Relating to an Extension of the Interim Intermarket Linkage Program

January 16, 2002.

On November 29, 2001, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² a proposed rule change seeking to extend the pilot program authorizing implementation of "interim linkages" with the other options exchanges until April 1, 2002.³

The proposed rule change was published for comment in the **Federal Register** on December 12, 2001.⁴ The Commission received no comments on the proposal.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁵ and, in particular, the requirements of section 6 of the Act⁶ and the rules and regulations thereunder. The Commission finds specifically that the proposed rule change should enable investors effecting transactions on the Phlx to obtain better prices displayed on the other exchanges and therefore is consistent with the objects of section 6(b)(5) under the Act⁷ which requires that exchange rules be designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism for a free and open market and a national market system, and, in general, to protect investors and the public interest.

It Is Therefore Ordered, pursuant to section 19(b)(2) of the Act,⁸ that the

January 16, 2002.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act" or "Exchange Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 20, 2001, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, the Exchange charges a monthly technology fee on its members and foreign currency options participants that are not also holding legal title to a Phlx membership. This charge of \$100.00 per month was instituted in March of 1997 at the rate of \$100.00 to cover system software modifications, specific systems development (maintenance) costs, increased costs associated with the Securities Industry Automation Corporation, and the Options Price Reporting Authority communication changes and ongoing system maintenance charges.³ Over the four and one half years since the technology fee was instituted, the complexity and expansion of the software and hardware, such as LANs, servers, and communications systems (both wireless and hardwired/tethered) has increased to serve the membership and the investing public. The Exchange's Board believes an increase to the technology fee is reasonable and necessary to support the ongoing efforts and deployment of technology on the trading floors to facilitate trading.

The technology fee was instituted to capture costs associated with system development costs associated with new risk management systems, order handling rule revisions, specialized quote feeds, and new products. Over the past four plus years, the Exchange's software and hardware systems have grown in order to process increased trading, resulting in more systems maintenance costs. The proposed increase in the technology fee is necessary to allow the Exchange to continue to operate its automated systems and compete with the other market centers in offering new technology features to facilitate trading.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁴ in general, and furthers the objectives of section 6(b)(4)

of the Act,⁵ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A) of the Act⁶ and Rule 19b-4(f)(2) thereunder,⁷ as establishing or changing a due, fee, or other charge. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate, in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.⁸

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be

available for inspection and copying at the principal office of the Phlx. All submissions should refer to File No. SR-Phlx-2001-117 and should be submitted by February 14, 2002.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹
