Office of Science Financial Assistance Program Notice 02-04; Experimental Program to Stimulate Competitive Research (EPSCoR); Building EPSCoR-State/National Laboratory Partnerships

AGENCY: U.S. Department of Energy.

ACTION: Notice inviting research grant applications.

SUMMARY: The Office of Basic Energy Sciences (BES) of the Office of Science (SC), U.S. Department of Energy (DOE), in keeping with its energy-related mission to assist in strengthening the Nation's scientific research enterprise through the support of basic science,

engineering, and mathematics, announces its interest in receiving grant applications for collaborative partnerships between academic or industrial researchers from states eligible for the DOE/EPSCoR program and researchers at DOE's National Laboratories, facilities, and centers. The purpose of the DOE/EPSCoR program is to enhance the capability of designated states to conduct nationally-competitive energy-related research, and to develop science and engineering manpower in energy-related areas to meet current and future needs. The purpose of this program notice is to initiate and promote partnering and collaborative relationships that build beneficial energy-related research programs with strong participation by students, postdoctoral fellows and young faculty from EPSCoR states.

DATES: Potential applicants are required to submit a brief preapplication. All preapplications, referencing Program Notice 02-04, must be received by DOE by 4:30 P.M., E.D.T., April 17, 2002, (preapplications received after this date will not be considered). A response to the preapplications encouraging or discouraging a formal application will be communicated to the applicant within approximately thirty days of receipt. The deadline for receipt of formal applications is 4:30 P.M., E.D.T., July 10, 2002, (formal applications received after this date will not be considered), in order to be accepted for merit review and to permit timely consideration for award in Fiscal Year 2003.

ADDRESSES: All preapplications, referencing Program Notice 02-04, should be sent to Dr. Matesh N. Varma, Division of Materials Sciences and Engineering, SC-132, Office of Science, U.S. Department of Energy, 19901 Germantown Road, Germantown, MD 20874-1290. After receiving notification from DOE encouraging submission of a formal application, applicants may prepare formal applications and send them to: U.S. Department of Energy, Office of Science, Grants and Contracts Division, SC-64, 19901 Germantown Road, Germantown, MD 20874-1290, ATTN: Program Notice 02-04. This above address must also be used when submitting applications by U.S. Postal Service Express, any commercial mail delivery service, or when hand carried by the applicant.

FOR FURTHER INFORMATION CONTACT: Dr. Matesh N. Varma, DOE/EPSCoR Program Manager, Division of Materials Sciences and Engineering, SC-132, Office of Science, U.S. Department of Energy, 19901 Germantown Road,

Germantown, MD 20874-1290, Telephone: (301) 903-3209, Facsimile: (301) 903-9513 or Internet e-mail address: matesh.varma@science.doe.gov.

SUPPLEMENTARY INFORMATION: To continue to enhance the competitiveness of states and territories identified for participation in the Experimental Program to Stimulate Competitive Research (EPSCoR), DOE encourages the formation of partnerships between academic and industrial researchers in EPSCoR states and the researchers at DOE's National Laboratories, facilities and centers in scientific areas supported by DOE's Office of Science. These collaborations should address areas of research of current interest to the Department. Undergraduate and graduate students, postdoctoral fellows and young faculty must be active members of the research team, and it is encouraged that these investigators spend a summer or significant time during the academic year at a National Laboratory, facility or center. It is also encouraged that collaborating scientists from the National Laboratories visit collaborating EPSCoR state faculty for exchange of scientific ideas and fostering active collaboration. Subcontracting arrangements with DOE National Laboratories will not be permitted. DOE eligible states and territories for the EPSCoR program are: Alaska, Alabama, Arkansas, Hawaii, Idaho, Kansas, Kentucky, Louisiana, Maine, Mississippi, Montana, Nebraska, Nevada, New Mexico, North Dakota, Oklahoma, South Carolina, South Dakota, Vermont, West Virginia, Wyoming, and the Commonwealth of Puerto Rico.

Program Funding

It is anticipated that approximately \$550,000 will be available in FY 2003, for research that encourages and facilitates collaborative efforts between researchers from EPSCoR states and researchers at DOE's National Laboratories, facilities, and centers. Multiple-year funding of grant awards is expected subject to satisfactory progress of the research, the availability of funds, and evidence of substantial interactions between the EPSCoR researchers and the National Laboratory partner. Awards are expected to range up to a maximum of \$150,000 annually with terms up to three years. The number of awards and range of funding will depend on the number of applications received and selected for award. Cost sharing of exactly 10% of the total budget is required from non-federal sources. All
