

by 47 CFR 64.1180. Pursuant to Section 64.1180(a), each provider of telephone exchange and/or telephone toll service shall submit to the Commission via e-mail (slamming478@fcc.gov), U.S. Mail, or facsimile a slamming complaint reporting form identifying the number of slamming complaints received during the reporting period and other information as specified in subsection (b) of section 64.1180. See 47 CFR 64.1180. Carriers are required to complete and file a copy of the FCC Form 478. Carriers are encouraged to maintain all records regarding slamming complaints for at least 24 month from the date on which they receive written, electronic, or oral contact by a consumer alleging that an unauthorized change in his/her preferred carrier was made by the carrier or by another carrier. The Commission recently revised FCC Form 478 to clarify for carriers the requirements of the form. Among other things, the instructions in Block 3 and Block 4 have been clarified so that carriers count complaints on a per-customer basis rather than a per-line basis. To the extent a carrier cannot report its complaints on a per-customer basis, the carrier is asked to explain the methodology it has chosen to count the complaints, and why it has chosen that methodology. In addition, FCC Form 478 instructions at Lines 112, 113 and 114 were amended to clarify when a complaint should be considered resolved under the Commission's rules. The information will be used to implement section 258 of the Act. The information will strengthen the ability of our rules to deter slamming, while protecting consumers from carriers that may take advantage of consumer confusion over different types of telecommunications services. The information gathered in response to the reporting requirement will enable the Commission to identify, as soon as possible, the carriers that repeatedly initiate unauthorized changes. A copy of the revised FCC Form 478 may be downloaded from the Commission's forms Web page, www.fcc.gov/formpage.html. Obligation to respond: Mandatory.

Public reporting burden for the collections of information are as noted above. Send comments regarding the burden estimates or any other aspect of the collections of information, including suggestions for reducing the burden to Performance Evaluation and Records Management, Washington, DC 20554.
