ACTION: Interim Final Rule; Reopening of Comment Period.

SUMMARY: The Department of Health and Human Services (DHHS), is reopening the comment period for the interim final rule for dose reconstruction for certain claims for cancer under the Energy Employees Occupational Illness Program Act (EEOICPA) that was published in the *Federal Register* on Friday, October 5, 2001. After considering these comments, comments previously received, and comments from the Advisory Board on Radiation and Worker Health (ABRWH) DHHS will publish a final rule.

DATES: Public written comments must be received on or before Friday, March 1, 2002.

ADDRESSES: Submit written comments to: Attention—Dose Reconstruction Comments, Department of Health and Human Services, National Institute for

Occupational Safety and Health (NIOSH), Robert A. Taft Laboratories, MS-C34, 4676 Columbia Parkway, Cincinnati, OH 45226, Telephone: (513) 533-8450, Fax: (513) 533-8285, email: NIOCINOCKET@CDC.GOV.

SUPPLEMENTARY INFORMATION: On

October 5, 2001, HHS published an interim final rule establishing methods for radiation dose reconstruction to be conducted for certain cancer claims filed under EEOICPA, Public Law 106-398 [See FR Vol. 66, No. 194, 50978]. The notice included a public comment period that ended November 5, 2001. However, DHHS requested the ABRWH to conduct a review of its dose reconstruction methods.

The ABRWH held its first meeting in Washington, DC on January 22-23, 2002. Due to the ABRWH's intensive work on the statutorily required technical review of the proposed probability of causation rule, the ABRWH was unable to complete the requested review of the interim final rule. Public comments, both written and oral, were accepted for inclusion in the docket on both the interim final rule and proposed rulemaking prior to and during the ABRWH meeting. The public comment period closed on the last day of the ABRWH meeting, January 23, 2002.

To allow the ABRWH ample opportunity to complete their review of and comments on the interim final rule, the public comment period for the interim final rule on dose reconstruction will be re-opened until Friday, March 1, 2002. This will allow the ABRWH to have at least one more meeting to prepare their comments on the interim final rule, and to accept further written and oral comments from the general public at its next meeting.

All written comments on the interim final rule for dose reconstruction must be received at the Docket Office on or before Friday, March 1, 2002. Written and oral comments made during the meeting(s) of the ABRWH prior to Friday, March 1, 2002 will also be included in the docket for the interim final rule.

Dated: February 12, 2002.

Secretary.

CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

45 CFR Part 2553

RIN 3045-AA31

Retired and Senior Volunteer Program; Amendments

AGENCY: Corporation for National and Community Service.

ACTION: Final rule.

SUMMARY: The amendments to the Regulation governing the Retired and Senior Volunteer Program include: improving access of persons with limited English speaking proficiency; and increasing sponsor flexibility to use project resources as needed.

DATES: These regulations take effect February 14, 2002.

FOR FURTHER INFORMATION CONTACT: John B. Keller, 202-606-5000, ext. 285.

SUPPLEMENTARY INFORMATION: The Corporation published a notice of proposed rulemaking (NPRM) for the Retired and Senior Volunteer Program 45 CFR part 2553 in the **Federal Register** at 66 FR 56793, November 13, 2001.

Summary of Main Comments

In response to the Corporation's invitation in the NPRM, the Corporation received 41 letter and/or email responses. Of these, 30 were in full support of the proposed rule, 3 sought clarification, and 8 opposed the proposed rule. The eight opposing the proposed rule voiced specific objection to the following Section:

Section 2553.72 (e), How much of the grant must be budgeted to pay volunteer expenses or cost reimbursements?

Comments: The eight opposing the proposed rule to eliminate the requirement that cost reimbursements for RSVP volunteers be an amount equal to at least 25 percent of the Corporation funds, objected because they feared it would permit the sponsor to use RSVP funds for purposes unrelated to RSVP.

Response: The Corporation response is that all funds approved in the grant award must be used for purposes set forth in the grant application, and may not be used for purposes unrelated to RSVP.

Impact of Various Acts and Executive Orders

After carefully reviewing the changes implemented by this amendment, it has

been determined that (1) This is not a significant regulatory action under section 3(f)(4) of Executive Order 12866, "Regulatory Planning and Review"; and (2) The Regulatory Flexibility Act does not apply because there is no "significant economic impact on a substantial number of small entities"; (3) The Unfunded Mandates Act of 1995 does not apply because the amendment does not result in any annual expenditures of \$100 million by State, local, Indian Tribal governments or the private sector; (4) The Paperwork Reduction Act does not apply because the amendments do not impose any additional reporting or record-keeping requirements; (5) The Small Business Regulatory Enforcement Fairness Act of 1996 does not apply because it is not a major rule as defined by section 251 of the Small Business Regulatory Enforcement Fairness Act of 1996, and would not result in an annual effect on the economy of \$100 million or more; result in an increase in cost or prices; or have significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based companies to compete with foreign-based companies in domestic and export markets; and (6) Executive Order 13132: Federalism does not apply because it would not have substantial direct effects on the States or the relationship between the national government and the States.
