Programs Affected

This program is listed in the Catalog of Federal Domestic Assistance under Number 10.433, Rural Housing Preservation Grants. This program is subject to the provisions of Executive Order 12372 which requires intergovernmental consultation with State and local officials (7 CFR part 3015, subpart V). Applicants are referred to 7 CFR 1944.674 and 1944.676(f), (g), and (h) for specific guidance on these requirements relative to the HPG program.

Application Requirements

7 CFR part 1944, subpart N provides details on what information must be contained in the preapplication package. Entities wishing to apply for assistance should contact the Rural Development State office to receive further information, the State allocation of funds, and copies of the preapplication package. Eligible entities for these competitively awarded grants include state and local governments,

nonprofit corporations, Federally recognized Indian Tribes, and consortia of eligible entities.

Funding Information

The funding instrument for the HPG program will be a grant agreement. The term of the grant can vary from 1 to 2 years, depending on available funds and demand. No maximum or minimum grant levels have been established at the National level. You should contact the State office to determine the allocation and the State maximum grant level, if any. For FY 2002, \$7,982,000 is available for the Housing Preservation Grant Program. A set aside of \$600,000 has been established for grants located in Empowerment Zones, Enterprise Communities, and REAP Zones and \$6,600,000 has been distributed under a formula allocation to States pursuant to 7 CFR part 1940, subpart L, "Methodology and Formulas for Allocation of Loan and Grant Program Funds". Decisions on funding will be based on preapplications.

Rural Housing Service

Notice of Availability of Funding and Requests for Proposals for Guaranteed Loans Under the Section 538 Guaranteed Rural Rental Housing Program

AGENCY: Rural Housing Service, USDA.

ACTION: Notice of fund availability.

Required Responses From: Eligible Lenders for Multi-Family Lending.

Program Offers: Loan Guarantees and Interest Credits for Rural Housing.

SUMMARY: This Notice of Fund Availability (NOFA or Notice) announces the timeframe, submission requirements and deadlines to submit proposals in the form of "NOFA responses" for the section 538 Guaranteed Rural Rental Housing Program (GRRHP) for the Fiscal Year (FY) 2002 allocation of \$99.77 million. This Notice describes the commitment of program dollars, eligibility requirements, lender responsibilities, and the overall NOFA and application processes.

The GRRHP operates under 7 CFR part 3565. The GRRHP Origination and Servicing Handbook (HB-1-3565) is available to provide lenders and the

general public with guidance on program administration. HB-1-3565, which contains a copy of 7 CFR part 3565 in Appendix 1, can be found at the Rural Development regulation web site address <http://rdinit.usda.gov/regs>.

Eligible lenders are invited to submit NOFA responses for the development of affordable rental housing to serve rural America. The Rural Housing Service (RHS) will review responses submitted by eligible lenders, on the lender's letterhead, and signed by both the prospective borrower and lender. Although a complete application is not required in response to the NOFA, eligible lenders may submit a complete application concurrently with the NOFA response. The submission of a complete application will not affect the scoring process.

DATES: The FY 2002 program dollars will be allocated through a continuous selection process. The RHS will review all NOFA responses through May 16, 2002. Reviews will take place on an ongoing basis. Those responses that are selected that subsequently submit complete applications and meet all federal environmental requirements will receive commitments until all funds are expended. A notice will be placed in the **Federal Register** when all funds are committed for FY 2002. NOFA responses received after May 16, 2002 will be held for review subject to the availability of funds.

Eligible lenders intending to mail a NOFA response or application must provide sufficient time to permit delivery to the NOFA submission address on or before the closing deadline date and time. Acceptance by a U.S. Post Office or private mailer does not constitute delivery. Postage due NOFA responses and applications will not be accepted.

FOR FURTHER INFORMATION CONTACT:

Arlene Nunes, Senior Loan Specialist, Guaranteed Loans, Multi-Family Housing Processing Division, U.S. Department of Agriculture, South Agriculture Building, Room 1271, STOP 0781, 1400 Independence Avenue, SW, Washington, DC 20250-0781. E-mail: anunes@rdmail.rural.usda.gov. Telephone: (202) 401-2307. This number is not toll-free. Hearing or speech-impaired persons may access that number by calling the Federal Information Relay Service toll-free at (800) 877-8339.

Eligibility of Prior Year Selected NOFA Responses: NOFA responses selected in FY 2001 are eligible for FY 2002 program dollars subject to the availability of funds. FY 2001 NOFA responses selected by RHS for

submission of a complete application may submit an application for competition for FY 2002 funding without completing a FY 2002 NOFA response. All qualified applications will be funded on a first come basis until all program funds are exhausted. RHS will commit and obligate funds only to lenders that submit a complete application including all federal environmental documents required by 7 CFR 1940 subpart G, Form RD 3565-1, "Application for Loan and Guarantee" and the 2,500 dollar application fee.

General Program Information

Program Purpose: The section 538 Guaranteed Rural Rental Housing Program is designed to increase the supply of affordable multi-family housing through partnerships between the RHS and major lending sources, as well as state and local housing finance agencies and bond issuers.

Qualifying Properties: Qualifying properties include new construction for multi-family housing units or acquisition of existing structures with rehabilitation of at least 15,000 dollars per unit.

Eligible Financing Sources: Any form of Federal, state, and conventional sources of financing can be used in conjunction with the loan guarantee, including Home Investment Partnership Program (HOME) grant funds, tax exempt bonds, and low income housing tax credits.

Maximum Guarantee: The maximum guarantee for a permanent loan will be 90 percent of the unpaid balance and interest on the loan. The maximum guarantee on a construction loan will be 90 percent of the work in place, which have credit enhancements, or up to 90 percent of the amount actually advanced by the lender, whichever is less.

Reimbursement of Losses: Any losses will be split on a pro-rata basis between the lender and the RHS from the first dollar lost.

Interest Rate: RHS will accept the best rate negotiated between the lender and prospective borrower indexed to the 10-year Treasury Bond Yield. However, priority points will be given for interest rates less than 300 basis points over the 10-Year Treasury Bond Yield. Interest rates must be fixed over the term of the loan.

Interest Credit: RHS will award interest credit to at least 20 percent of the loans made under the program. If 20 percent of the loans have not received interest credit by May 16, 2002, then RHS will award interest credit to those loans that initially requested interest credit and have the highest interest

credit priority score until at least 20% of the loans have received interest credit. Requests for interest credit must be made in the NOFA response. Lenders are not permitted to make requests for interest credit after the selection process has taken place.

Due to limited funding and in order to distribute Interest Credit assistance as broadly as possible, the Agency has decided to limit the interest credit to \$1.5 million per loan. For example, if an eligible request were made for interest credit on a loan of \$2.5 million, up to \$1.5 million of the loan would receive interest credit and \$1 million would be originated at the note rate. Interest credit is not available for construction loans. Interest credit is only available for permanent loans. Lenders with projects that are viable with or without interest credit are encouraged to submit a NOFA response reflecting financial and market feasibility under both funding options. NOFA responses requesting consideration under both options will not affect interest credit selection. However, once the interest credit funds are exhausted, only those NOFA responses requesting consideration under both funding options or the Non-Interest Credit option will be further considered.

Due to limited interest credit funds and the responsibility of RHS to target and give priority to rural areas most in need, NOFA responses requesting interest credit must score a minimum of 65 points under the criteria established in this NOFA. In the event of ties, selection between responses will be by lot.

Surcharges for Guarantee of Construction Advances: There is no surcharge for the guarantee of construction advances for FY 2002.

Program Fees for FY 2002: The following information stipulates the program fees.

(1) There is an initial guarantee fee of 1 percent of the total guarantee amount, which will be due when the loan guarantee is issued. In the case of a combination construction and permanent loan guarantee, the 1 percent initial fee will be paid when the construction loan note guarantee is issued. For purposes of calculating this fee, the guarantee amount is the product of the percentage of the guarantee times the initial principal amount of the guaranteed loan.

(2) There is an annual renewal fee of 0.5 percent of the outstanding principal and interest of the loan. This fee will be collected annually on January 1st of each calendar year.

(3) There is no fee for site assessment and market analysis or preliminary feasibility in FY 2002.

(4) There is a non-refundable application fee of \$2,500 when the application is submitted.

(5) There is a flat fee of \$500 when a lender requests RHS to extend the term of a guarantee commitment.

(6) There is a flat fee of \$500 when a lender requests RHS to extend a guarantee commitment after the period of the commitment lapses.

(7) There is a flat fee of \$1,250 when a lender requests RHS to approve the transfer of property and assumption of the loan to an eligible prospective borrower.

(8) There is no lender application fee for lender approval in FY 2002.

Eligible Lenders: An eligible lender for the section 538 Guaranteed Loan Housing Program as required by 7 CFR 3565.102 must be a licensed business entity or Housing Finance Agency in good standing in the state or states where it conducts business. Lender eligibility requirements are contained in 7 CFR part 3565, subpart C, section 3565.102 "Lender Eligibility". Below is a list of eligible lenders under 7 CFR 3565.102:

(1) A licensed business entity that meets the qualifications and has the approval of the Secretary of Housing and Urban Development (HUD) to make multi-family housing loans that are insured under the National Housing Act. A complete list of HUD approved lenders can be found in the HUD Web site at www.hud.gov.

(2) A licensed business entity that meets the qualifications and has the approval of the Freddie Mac or Fannie Mae corporations to make multi-family housing loans that are sold to the same corporations. A complete list of Freddie Mac approved lenders can be found in Freddie Mac's web site at www.freddiemac.com. Fannie Mae approved lenders are found at www.fanniemae.com.

(3) A state or local Housing Finance Authority (HFA) with a top-tier rating from Moody's or Standard & Poors, or member of the Federal Home Loan Bank system, and the demonstrated ability to underwrite, originate, process, close, service, manage, and dispose of multi-family housing loans in a prudent manner.

(4) Be a GRRHP approved lender, defined as an entity with an executed Multi-family housing Lender's Agreement with RHS.

(5) Lenders that can demonstrate the capacity to underwrite, originate, process, close, service, manage, and dispose of multi-family housing loans.

In order to be approved the lender will have to have an acceptable level of financial soundness as determined by a lender rating service. The submission of materials demonstrating capacity will be required if the lender's NOFA response is selected.

Lenders who are otherwise ineligible may become eligible if they maintain a correspondent relationship with an eligible lender that does have the capacity to underwrite, originate, process, close, service, manage, and dispose of multi-family housing loans. In this case, the eligible lender must submit the NOFA response and application. All contractual and legal documentation will be signed between RHS and the lender that submitted the NOFA response and application.

RHS Lender Approval Application: Lenders whose NOFA responses are selected will be notified by the RHS to submit a request for RHS lender approval application within 30 days of notification. Lenders that have received RHS lender approval in the past and are in good standing do not need to reapply for RHS lender approval.

Submission of Documentation for RHS Lender Approval: All lenders that have not yet received RHS lender approval must submit a complete application for RHS lender approval. As RHS does not have a formal application form, a complete application will consist of a cover letter requesting RHS lender approval and the following documentation:

(1) a request for RHS lender approval on the lender's letterhead;

(2) Lenders who are HUD, Freddie Mac or Fannie Mae multi-family approved lenders are required to show evidence of this status, such as a copy of a letter designating the distinction.

(3) The lender's Loan Origination, Loan Servicing and Portfolio Management Handbooks. These handbooks should detail the lender's policies and procedures on loan origination through termination for multi-family loans;

(4) Portfolio performance data;

(5) Copies of standard documents that will be used in processing GRRHP loans;

(6) Resumes and qualifications of key personnel that will be involved in the GRRHP;

(7) Identification of standards and processes that deviate from those outlined in the GRRHP Origination and Servicing Handbook (HB-1-3565) found at <http://rdinit.usda.gov/regs>;

(8) A copy of the most recent audited financial statements;

(9) Lender specific information including: (a) Legal name and address,

(b) list of principal officers and their responsibilities, (c) certification that the officers and principals of the lender have not been debarred or suspended from Federal programs, (d) Form AD 1047, "Certification Regarding Debarment and Suspension," (e) certification that the lender is not in default or delinquent on any Federal debt or loan, or possess an outstanding finding of deficiency in a federal housing program, and (f) certification of the lender's credit rating;

(10) Documentation on bonding and insurance; and

(11) Certification that computer systems comply with year 2000 technology.

RHS Lender Approval Requirements: Lenders who request RHS lender approval must meet the standards stipulated in the 7 CFR part 3565, subpart C, section 3565.103 "Approval Requirements."

Lender Responsibilities: Lenders will be responsible for the full range of loan origination, underwriting, management, servicing, compliance issues and property disposition activities associated with their projects. The lender will be expected to provide guidance to the prospective borrower on the RHS requirements during the application phase. Once the guarantee is issued, the lender is expected to service each loan it underwrites or contract these services to another capable entity.
