

the Final Judgment with respect to Sprint. Furthermore, DT ceased to be an owner of Global One even before Global One was acquired by Equant, having sold its interest to FT pursuant to an agreement reached on January 26, 2000. Therefore, the Final Judgment is also proposed to be modified to eliminate any obligations related to DT's relationship with Equant. Certain provisions of the Final Judgment applicable to Equant's relationship with FT will remain in force, in order to safeguard against anticompetitive conduct by FT favoring Equant. Other provisions of the Final Judgment relating to FT's relationship to Equant will be terminated because they are redundant of other regulatory requirements or superfluous in light of market developments. The provisions that will remain are the reporting requirements of certain information related to the prices, terms and conditions of FT products and services sold by FT to Equant.

The United States has filed a memorandum with the Court setting forth the reasons it believes modification of the Final Judgment would serve the public interest. Copies of the joint Judgment, the stipulation containing the United States' provisional consent to modification of the Final Judgment, the supporting memorandum, and all additional papers filed with the Court in connection with this motion are available for inspection as the Antitrust Documents Group of the Antitrust Division, U.S. Department of Justice, 325 7th Street, NW., Room 215 North, Liberty Place Building, Washington, DC 20530, and at the Office of the Clerk of the United States District Court for the District of Columbia, 333 Constitution Avenue, NW., Washington, DC 2001. Copies of these materials may be obtained from the Antitrust Division upon request and payment of the duplicating fee set out in Department of Justice regulations.

Interested persons may submit comments regarding the proposed termination to the Department of Justice. Such comments must be received by the Antitrust Division within sixty (60) days of the last publication of notices appearing in the *Wall Street Journal* and *Communications Week International*, and will be filed with the Court by the Department. Comments should be addressed to Lawrence M. Frankel, Acting Chief, Telecommunications Task Force, Antitrust Division, U.S.
