SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copy Available From: Securities and Exchange Commission, Office of Filings and Information Services, 450 Fifth Street, N.W., Washington, D.C. 20549.

Extension: Form N-14, SEC File No. 270-297, OMB Control No. 3235-0336.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") request for extension of the previously approved collection of information discussed below.

Form N-14—Registration Statement Under the Securities Act of 1933 for Securities Issued in Business Combination Transactions by Investment Companies and Business Development Companies. Form N-14 is used by investment companies registered under the Investment Company Act of 1940 [15 U.S.C. 80a-1 *et seq.*] ("Investment Company Act") and business development companies as defined by section 2(a)(48) of the Investment Company Act to register securities under the Securities Act of 1933 [15 U.S.C. 77a *et seq.*] to be issued in business combination transactions specified in Rule 145(a) (17 CFR 230.145(a)) and exchange offers. The

securities are registered under the Securities Act to ensure that investors receive the material information necessary to evaluate securities issued in business combination transactions. The Commission staff reviews registration statements on Form N-14 for the adequacy and accuracy of the disclosure contained therein. Without Form N-14, the Commission would be unable to verify compliance with securities law requirements. The respondents to the collection of information are investment companies or business development companies issuing securities in business combination transactions. The estimated number of responses is 485 and the collection occurs only when a merger or other business combination is planned. The estimated total annual reporting burden of the collection of information is approximately 620 hours per response for a new registration statement, and approximately 350 hours per response for an amended Form N-14, for a total of 257,770 annual burden hours. Providing the information on Form N-14 is mandatory. Responses will not be kept confidential. Estimates of the burden hours are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules and forms. The Commission may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

General comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; and (ii) Michael E. Bartell,

Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: February 28, 2002.

Margaret H. McFarland,

Deputy Secretary.
