

the "Financing Subsidiary") for the purpose of effecting various financing transactions from time to time through the Authorization Period involving the issuance and sale of up to an aggregate of \$1 billion (cash proceeds to New REI or the respective subsidiary company) in any combination of common stock, preferred securities, debt securities, stock purchase contracts and stock purchase units, as well as common stock issuable under stock purchase contracts and stock purchase units, all as defined below. Any security issued under the requested authority will be appropriately disclosed in the system's financial statements. No Finance Subsidiary shall acquire or dispose of, directly or indirectly, any interest in any utility asset, as that term is defined under the Act, without first obtaining any necessary approval.

The business of the Financing Subsidiary will be limited to effecting financing transactions for New REI and its associates. In connection with these transactions, New REI or the Subsidiaries may enter into one or more guarantees or other credit support agreements in favor of the Financing Subsidiary.

Any Financing Subsidiary shall be organized only if, in management's opinion, the creation and utilization of the Financing Subsidiary will likely result in tax savings, increased access to capital markets and/or lower cost of capital for New REI or the Subsidiaries.

Each of New REI and the Subsidiaries also requests authorization to enter into an expense agreement with its respective financing entity, under which it would agree to pay all expenses of the entity. Any amounts issued by the financing entities to third parties will be included in the additional external financing limitation for the immediate parent of the financing entity. However, the underlying intra-system mirror debt and parent guarantee will not be included.

REI currently has two financing subsidiaries ("FinanceCos"). The FinanceCos are Delaware limited partnerships whose limited partnership interests are wholly owned, directly or indirectly, by REI. Each of the FinanceCos has issued a series of debt, the proceeds of which have been used to purchase separate series of cumulative preference stock of REI. Dividends on the preference stock accrue based on the net interest requirements on the debt, subject to reduction of any payments previously made by REI under REI support agreements relating to each series of debt. After giving effect to this credit, REI must pay aggregate cash dividends

on the preference stock equal to the lesser of the aggregate amount of interest then payable on the debt or its excess cash flow (excess funds of REI remaining after taking into account its cash requirements and other expenditures required by sound utility financial and management practices).

#### g. Authority To Reorganize Nonutility Interests

New REI proposes to restructure its nonutility interests from time to time as may be necessary or appropriate. New REI will engage, directly or indirectly, only in businesses that are duly authorized, whether by order or rule under the Act.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

### Sunshine Act Meeting Notice

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Public Law 94-409, that the Securities and Exchange Commission will hold the following meetings during the week of May 13, 2002:

A closed meeting will be held on Monday, May 13, 2002, at 10 a.m., and an open meeting will be held on Tuesday, May 14, 2002, at 10 a.m., in Room 1C30, the William O. Douglas Room.

Commissioners, Counsel to the Commissioners, the secretary to the Commission, and recording secretaries will attend the closed meeting. Certain staff members who have an interest in the matters may also be present.

The General Counsel of the Commission, or his designee, has certified that, in his opinion, one or more of the exemptions set forth in 5 U.S.C. 552(b)(5), (7), (9)(B), and (10) and 17 CFR 200.402(a)(5), (7), (9)(ii) and (10), permit consideration of the scheduled matters at the closed meeting.

Commissioner Hunt, as duty officer, determined that no earlier notice thereof was possible.

The subject matter of the close meeting scheduled for Monday, May 13, 2002, will be:

Formal orders of investigation; Institution and settlement of injunctive actions; and Institution and settlement of administrative proceedings of an enforcement nature.

The subject matter of the open meeting scheduled for Tuesday, May 14, 2002, will be:

1. The Commission will consider whether to jointly adopt a new rule with the Commodity Futures Trading Commission ("CFTC") generally requiring that the final settlement price for each cash-settled security futures product fairly reflect the opening price of the underlying security or securities, and that trading in any security futures product halt when a regulatory halt is instituted with respect to a security or securities underlying the security futures product by the national

securities exchange or national securities association listing the security. The rule being considered would set forth more specifically how the exchange's or association's rules can satisfy provisions added to the Commodity Exchange Act ("CEA") and the Securities Exchange Act of 1934 ("Exchange Act") by the Commodity Futures Modernization Act of 2000. The Commission will also consider whether to issue a joint interpretation with the CFTC of the statutory requirement under the CEA and the Exchange Act that procedures be put in place for coordinated surveillance among the markets trading security futures products and any market trading any security underlying the security futures products or any related security.

2. The Commission will consider whether to propose amendments to Rules 134, 156, and 482 under the Securities Act of 1933; Rule 34b-1 under the Investment Company Act of 1940; and four investment company registration forms (Forms N-1A, N-3, N-4, and N-6). The proposed amendments would require enhanced disclosure in mutual fund advertisements and are designed to encourage advertisements that convey balanced information to prospective investors, particularly with respect to past performance. The proposed amendments also would implement a provision of the National Securities Markets Improvement Act of 1996 by eliminating the requirement that Rule 482 advertisements for an investment company contain only information the substance of which is included in the investment company's statutory prospectus.

At times, changes in Commission priorities require alterations in the scheduling of meeting items. For further information and to ascertain what, if any, matters have been added, deleted or postponed, please contact: the Office of the Secretary at (202) 942-7070.

[File No. 500-1]

### Pinnacle Business Management, Inc.; Order of Suspension of Trading

May 7, 2002.

It appears to the Securities and Exchange Commission that there is a

lack of current and accurate information concerning the securities of Pinnacle Business Management, Inc. ("PCBM") because of questions regarding the accuracy of assertions made by PCBM, and by others, in Commission filings and in documents sent to and statements made to investors concerning among other things, a planned spin-off by PCBM of a subsidiary in May 2002, the initial price at which the subsidiary will trade after the spin-off has been completed, and the conditions bearing on the subsidiary's chances of achieving an American Stock Exchange listing.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the above listed company is suspended for the period from 9:30 a.m. EDT, May 8, 2002 through 11:59 p.m. EDT, on May 21, 2002.

By the Commission.
