

bulk cargo, forest products, recycled metal scrap, new assembled motor vehicles, waste paper or paper waste, and their related amendments and notices to be filed confidentially with the Commission.

Needs and Uses: The Commission monitors service contract filings for acts prohibited by the Shipping Act of 1984.

Frequency: The Commission has no control over how frequently service contracts are entered into; this is solely a matter between the negotiating parties. When parties enter into a service contract it must be filed with the Commission.

Types of Respondents: Parties that enter into service contracts are ocean common carriers and agreements among ocean common carriers on the one hand, and shippers or shipper's associations on the other. The carrier party is responsible for filing the service contract.

Number of Annual Respondents: The Commission estimates an annual respondent universe of 155.

Estimated Time Per Response: The time per response ranges from one to eight hours.

Total Annual Burden: The Commission estimates the total person-hour burden at 303,953.
